THE CORPS ABOUT TO RECEIVE THE EARL GREY TROPHY
GOVERNOR-GENERAL'S SHIELD.

*How sleep the brave, who sink to rest
By all their country's wishes blest!
When Spring, with dewy fingers cold
Returns to deck their hallow'd mould,
She there shall dress a sweeter sod
Than Poets' feet have ever trod.*

*By hands unseen their knell is rung,
By forms unseen their dirge is sung:
There Honour comes, a pilgrim gray,
To bless the turf that wraps their clay;
For ever Freedom shall repair
To dwell a weeping hermit there!*

MAJOR HARTLAND B. MACDOUGALL

Major Hartland B. MacDougall came to B.C.S. in the 1880's and from then until 1894 established himself as a sportsman. He was a member of all three Teams at least twice. Throughout his life he continued playing, as long as it was possible. School days' connections continuing he played also with his School friends and Mr. R. E. MacDougall, the star hockey player, another B.C.S. boy.

He was captain of the M.A.A. team for three years and of the Back River Polo from 1909 to 1914 and then from 1914 to 1928. His father and uncle Hartland were noted sportsmen in their day, children and grandchildren have been outstanding sportsmen at B.C.S.

What he learned in sportsmanship and courage in his early years carried him through all his hardships until his sudden death on April 28th. He lived to see his sons and their sons, too, go through B.C.S.

It was with the utmost regret that we at B.C.S., who had the pleasure of knowing Major MacDougall, learned of his death.

From a very great number of tributes paid to him by the Press we take the liberty of publishing the following which will give an idea, though incomplete, of his prowess as a sportsman.

January 1st, 1918.

Captain H. B. MacDougall left this day for England en route for America where he is to take up duty with the Canadian instructors to the American Army. His departure is a loss to the Battalion which cannot be estimated in words.

Captain MacDougall's contribution to the life of the Battalion has been infinitely wider than his services as Paymaster. His skill as an Advance Agent and Billeting Officer was known and envied throughout the Corps. His continued and expert interest in the Battalion transport has done much in raising it to the pitch of efficiency attained. His personality and wide acquaintanceship with the personnel of the Corps has gained us many friends, so that there is hardly an aspect of the Battalion life and work that has not felt his influence and help. We see him go with deep regret, but with the hope he may yet return to us in the future when a welcome royal will await him.

A. S. McCormick, M.D., of Akron, Ohio, a former Montreal man, sends in another tribute to the late Hartland MacDougall. "He was never surpassed as full back of the Montreal Football Club," he writes. "He was the finest full back of his time and no runner ever got past him. Instead of the commonly used tackle by diving at the runner's legs, Hartland let him get within five feet and then leaped at him, caught him with an unbreakable embrace and brought him down. In those days the players wore canvas jackets and when Hartland tackled the runner the slap of his hands when they met behind the latter's back could be heard all over the grounds. A man with the ball might get by everyone else, but he never got past MacDougall".

THE GIST AND JEST OF IT

From the Herald, Montreal, by Elmer Ferguson.

One of the finest sportsmen, in the truest sense of the word, that it has ever been the good fortune of this chronicler to meet, died yesterday, with the passing of Major Hartland MacDougall. We all should be so gallant in the face of stunning physical misfortune, we all should retain our keen interest in sports long after our ability to participate therein has passed.

Major MacDougall, was one of the greatest all-round athletes, of truly amateur status, these Dominions ever produced. He was a star with the famous Victoria hockey team of the late nineties, and around the turn of the century, when this club was a dominating factor in Stanley Cup play, before the advent of professional hockey. He was famous as a polo player, at Bois Lodge. He also played squash and tennis.

An accident, or some physical convulsion, struck the Major many years ago and created partial paralysis. But that affected his body, only. His mind never deviated from his interest in sport. He was, in the mid-twenties, a director of the Forum, and a director of Maroons, and when the club won the world's title, he presented Hooley Smith with a Rolls Royce car. When Maroons faded from the picture, his allegiance switched to Canadiens, and for many years, he sat alongside your correspondent, between the Canadiens and the penalty benches at the Forum, deeply intrigued with the ebb and flow of play, a keen observer, a shrewd analyst.

In fact, the Major never missed a hockey game of any kind. When Canadiens weren't playing, he went to see the Royals. If the Royals weren't playing, he

(Continued on page 12)

THE LATE MAJOR H. B. MACDOUGALL,
VICE-CHAIRMAN OF THE BOARD OF DIRECTORS.

made his arduous way, on his cane, to see the juniors. Sometimes, he brought a grandson to see the games. He loved to rub shoulders with hockey, with the players, with the sports he loved, the sports that transcended the physical inabilities that so tragically beset him, the sports that kept him young.

It is not given to many people to rise above their physical afflictions, particularly when one of these has suddenly robbed you of your greatest prize, ability to take part in the sports you love. But Hartland MacDougall had that courage, that defiance of unkind Fate, that true, deep love of sport given to so few, and to the very end he was an enthusiastic follower, in his own quiet way, of the sports parade. Often, between periods of hockey games, he would ask this correspondent some question about old-time sports events, not because we knew nearly as much as he did about it, but merely by way of verifying his own recollections of a great and colorful past, in the chapters written into hockey, football, lacrosse and other sports here. He knew, really, a vastly great deal more about these things than we did, and always we felt so very flattered that he would ask for our own recollections, or records—our recollections don't go back that far—about people and events in hockey's earlier history.

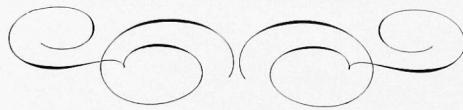

Probably the last appearance made by "The Major", as we all affectionately knew him, at the Forum, was the night of the presentation to Aurel Joliat, on the occasion of the election to the Hockey Hall of Fame of that remarkable Mite of the Ice. Leo Dandurand, who did a grand job of organization in this event, had gone to the Canadian room, his old stamping-ground of years before, to chat with the players of the present day. And Major MacDougall made his way to the old club-room door, asked for Leo, presented him with a substantial amount to be added to the Joliat fund.

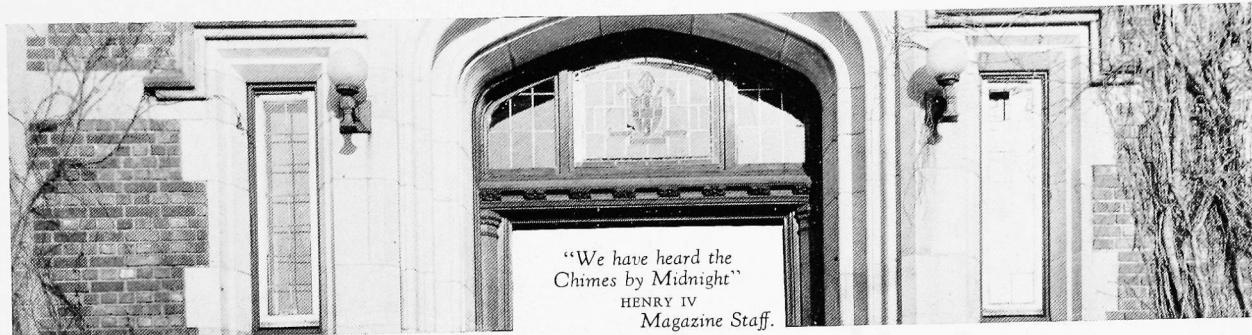

This was something more of a sporting gesture than perhaps you realize. Major MacDougall was one of

the founders and directors and loyal adherents of Maroons, in the days of the most bitter and intense rivalry between the two Montreal teams. Many a night, as these two great machines battled it out, the wily Joliat, with his skill and his precision-shooting, brought about the down-fall of the local rivals, and brought at the same time grief to Maroon directors who took every defeat deeply to heart. But when it came to making a sporting gesture, Major MacDougall was there to make it, in recognition to an old, but esteemed and sporting enemy. He was that kind of a sportsman!

The records of hockey show that Major MacDougall played with Montreal Victorias in 1896, '97, '98, in Stanley Cup triumphs that were strictly amateur, before the birth of professionalism in hockey, when men played for glory and honor—which isn't to be interpreted as casting any reflection on the motives of the players of today. The Major played for glory, along with Grant, Drinkwater, Davidson, Henderson, Rankin, and the rest of those traditional heroes of a half-forgotten past. But he admired equally with those who played for glory, the players of today who play not only for glory, but for financial returns. He was that kind of a sportsman. With him, it was the game. Another link with a historic past severs in his departure. He was, truly a sportsman.

The Major would have gloried, tonight, to be present, watching the bid on home-ice which the Royals are making for the Allan Cup. He was one of those instrumental, along with Wm. Northey, in having this trophy presented, to replace the Stanley Cup when that historic mug went professional. He was so broadly tolerant, of course, that he enjoyed professional hockey quite as much as amateur. But he had a soft spot in his heart for the Royals, and when this club opens, tonight, another chapter in its fight to bring a hockey title to Montreal, the kindly shades of "The Major" will be gently urging them on!

Editorial

"And thou shalt remember all the way which the Lord thy God hath led thee."

We deeply regret having to record the death of Major Hartland B. MacDougall, a close friend of the School, whose young memories were all tied up with his school, and who loved coming here.

He was a friend whose character we have constantly admired, whose sportsmanship, family life and character have been an inspiration, leaving an indelible mark on generations.

We have seen that same splendid character develop in his children and grandchildren who have been, and are, attending the School.

We know that it will give so much pleasure to older Old Boys to hear how proud two former Headmasters (who were over 20 years at the School: Dr. S. P. Smith and, of the Preparatory: A. Wilkinson, Esq.) were of the part they played in the War that we cannot refrain from letting them know, and venture to take two small excerpts from private letters expressing glowing admiration for the splendid record of the Old Boys. There isn't time now, to get permission for this and for their photographs to appear.

.... The copy which you kindly sent me I keep on a little table beside my armchair, examine it again and again, and with pride show it to my friends."

"Thank you so much for the wonderful Memorial Issue. I have read it with the greatest interest and it stirred in me loving memories of twenty very happy years at B.C.S. I see so many faces that I loved, small boys then, now in full manhood, all having done their utmost to help clean up a very muddy world, dear lads all of them. God bless and guide them through the coming years . . ."

It is our duty, too, to let Old Boys and parents know that the publication of the Memorial Issue was the signal for a mass of letters to pour in, expressing the

very highest enthusiasm for what Old Boys had done. We admit that the eulogies astounded even us.

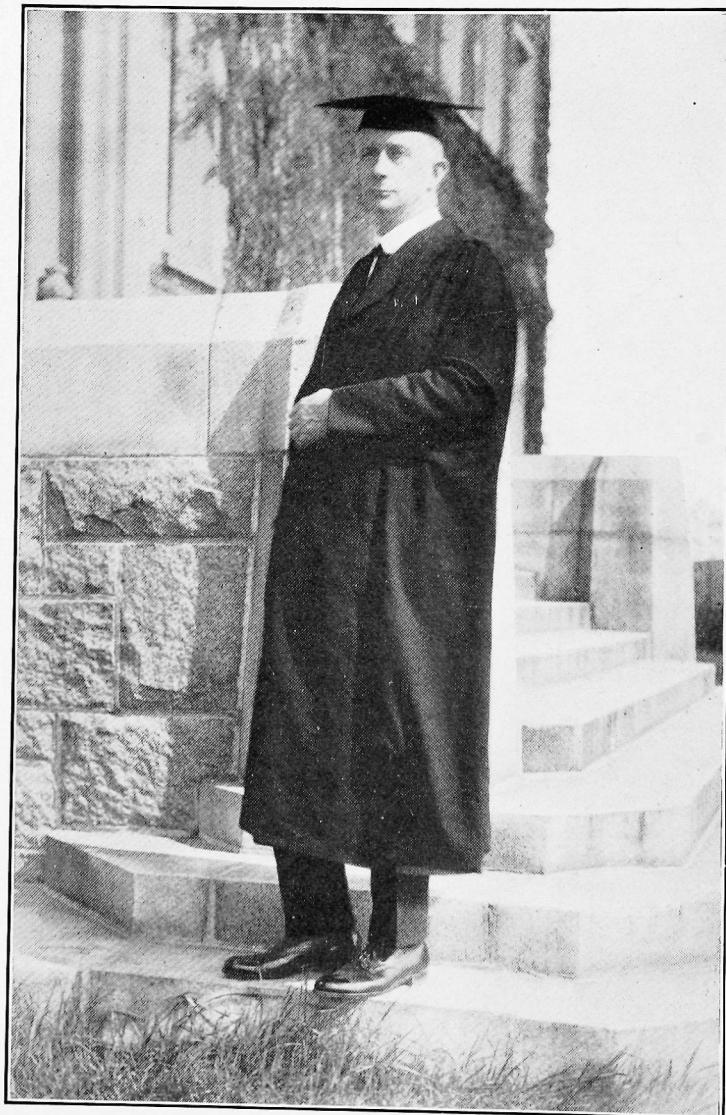

On a memorable day John Kemp (Major, w., p.o.w.) held us enthralled hanging on his words as he vividly brought before our eyes scenes in the Normandy campaign where Old Boys gallantly fought and died. Rarely have we seen such scenes presented in such a calm, masterly and convincing manner.

Due to the late appearance of this Issue we see, at the last moment before publication, the results of the McGill Matriculation in the Press. To us it appears, from a cursory glance, a splendid showing after an excellent year's work. The names of all 9 in Senior Matric class appear, and a very high percentage of Junior Matric candidates. There are 3 firsts in Junior Matric, i.e. 80% or over in the whole examination. We especially congratulate Pitfield, Senior Prefect who, in spite of his multifarious duties and athletic record got a 2nd class, which is rare in the case of Head Prefects. The names of all the other Prefects appear, too, showing that in the stress of extra duties they did not neglect their work.

It is worthy of note that of the 7 First Class matriculants in Senior Matric three were B.C.S. boys, also one, Hampson, had the highest number of distinctions and Seager came second (tied).

Discarding our policy of "Quiet Growth" in the Debating Society we entered the Rotary Club Oratory Contest. We congratulate Hampson, (substituting for McMaster) who won the preliminary round at Sherbrooke and was one of the semi-finalist winners at Westmount thus qualifying to compete in the finals at the Mount Royal Hotel, where he tied with last year's bronze medal winner.

(Continued on page 18)

DR. S. P. SMITH

A. WILKINSON, ESQ.

EDITORIAL—(Continued from page 15)

We thoroughly enjoyed the hospitality, courtesy and efficiency of the Rotary Club and would like to put on record our ardent appreciation of their solid contribution to education.

We also congratulate Setlakwe, our last year's President, one of the Eastern Canadian champions who won over the McGill and Loyola teams, entitling them to contest the Beatty Cup for the Dominion championship in Ottawa, which was the best record since John Bassett and Ogden Glass brought the Debating Trophy to the College.

The advanced age of 92 is rare and we have no Old Boys of that age on our records except W. C. Montizambert who was here from 1866-72. In an interesting letter he speaks of an Old Boy, the Bishop of Sierra Leone. "When several of the English Clergy, appointed Bishop of Sierra Leone, could not stand the climate there, and resigned after a year's service the Reverend Ernest Ingraham got the appointment and kept it for five years or more."

(Ed's note: We were acquainted with the Bishop in Weymouth, England, and he appeared to be none the worse for the climate of the "White Man's Grave." We were unaware that he was a B.C.S. Old Boy)

We learned with very deep regret of the death of Mrs. Frank W. Ross, Holland House, Quebec. She was a sincere friend of the School and of the Magazine, in which she took a particularly great and helpful interest.

In Quebec she was well known for her active interest in many organizations. Among her many activities she organized the Air Force Club.

From early days her family had many connections with the School. Her brother, the late General Sir Henry Burstall, K.C.B., K.C.M.G., was an Old Boy and kept in touch with the School, through the Magazine, from the early '20's.

We extend our true sympathy to Mr. Frank Ross, to her two sons Donald and Harry (Old Boys) and to her daughter Mrs. Ian Breakey (wife of an Old Boy).

Chapel Notes

The regular worship of the School has been carried on as usual in the Sunday and weekday services in the Chapel and the Assembly Hall. Many thanks are due to Mr. Page and the choir whose work has been of the utmost value in keeping us all up to a high standard.

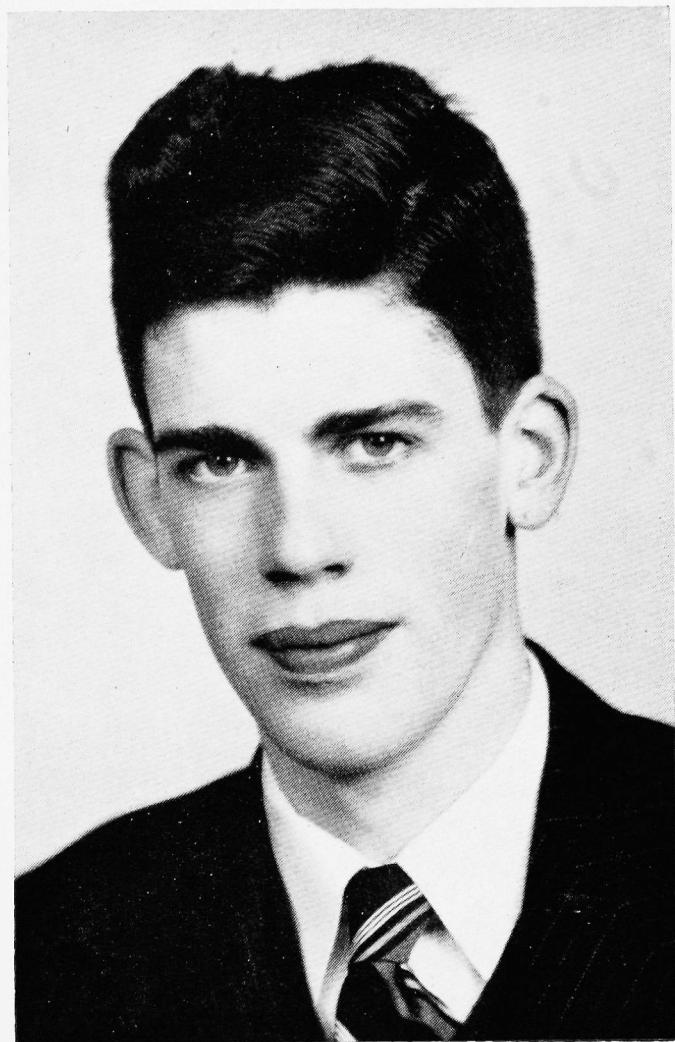

The first service in the small Chapel in the main school building was a Holy Communion on Sunday, January 26th. Since then, the chapel has been in constant use. There are early celebrations of the Holy Communion on each day for which provision is especially made in the Prayer Book. All attendances are, of course, voluntary but on two occasions (Ash Wednesday and Ascension Day), the chapel held twice as many as it was designed for, and the rest of the congregation had to sit in the corridor outside and join in the service through the open door.

On May 4th, the Rev. Sidney Childs kindly took the service in the absence of the Chaplain. The Headmaster preached the sermon and, announcing that the small chapel was to be dedicated to St. Martin, patron saint of soldiers, told the School something about his life and deeds.

The following Thursday was Ascension Day. We were glad to welcome the Bishop of Montreal, one of the Visitors of the School. His Lordship arrived in time for lunch and, in the early part of the afternoon, dedicated the small chapel to the glory of God and in honour of St. Martin. Present at this short but impressive service were the Headmaster, the Chaplain, Mr. Patriquin (representing the teaching staff), Pitfield (Head Prefect), and the following boys, each representing his form: Seager (VII), Bignell (VI), Almond (V Arts), Ross (V Science), Patterson (IV), Bishop (III A), and Giles (III B).

The Confirmation Service was held in St. Mark's Chapel at 3.30 on the same day. There were twenty-four candidates: Seager, Sharwood, Oaks, Wall, Cole, Rankin, Price, Mackie, Giles, Lucas, Stevenson, Goodridge II, Goodridge III, Mather, Setlakwe, Badger, Whitehead, Berlyn, Turnbull, Martin, Stewart-Patterson, Williams, McConnell and Winder.

The servers this term are: Hickey, Hugessen, Lawrence I, Lawrence II, Patterson, Peirce, Rowland, Seager, Sheard and Walls. As usual, one of the senior servers has read the Epistle at the Sung Eucharist.

R. H. PITFIELD

*Head Prefect
Cadet Major
Hockey Captain*

June Closing

The highlight of the annual closing day was the presentation of prizes and athletic awards.

An old boy, Major H. Weir Davis, presented the prizes.

A pleasant atmosphere and favourable weather conditions added greatly to the success of the day, ending all too soon when packed dining rooms were emptied into waiting cars, which dispersed to the four winds, leaving us to cope with exams for two gruelling weeks and then, what?

July 22nd: According to the press—(Excellent results; our fears were groundless.)

Photo by Mr. Love

Track and Field, Senior: 100 yards (Balfour Cup) 1. Jones, 2. Pitfield; 220 yards 1. Pitfield, 2. Jones; 440 yards (Senior White Challenge Cup) 1. Stearns, 2. Price III; Half Mile Open, (Allan Challenge Cup) 1. Stearns, 2. Williams; Hurdles, 1. Pitfield, 2. Jones; High Jump, 1. Pitfield, 2. Porter; Broad Jump, (Allan Challenge Cup) 1. Pitfield, 2. Jones; Mile Open, 1. Corlett, 2. Bennett; Cricket Ball, (Allan Challenge Cup) 1. Rider, record (322' 9½") 2. Pitfield; Shot Put, 1. Vass, 2. Stearns; Pole Vault, 1. Stearns, 2. Bignell; Discus, 1. Stearns, record (109' 7") 2. Scholes; Three Legged Race, 1. Rider & Jones, 2. Burland & Courey.

Intermediate 100 yards, (Janner Challenge Trophy) 1. Ross, 2. J. Price; 220 yards, 1. Collier, 2. Macfarlane; Hurdles, 1. Macfarlane, 2. Almond; High Jump, 1. Sperdakos, 2. Bignell; Broad Jump, 1. Stearns, 2. Ross I;

Gymnasium: The Martin Cup, School Championship, J. LeChevalier. Ross Cup, To most improved New Boy in Gym work, G. Garneau. Instructors' Medals: To second and third in the Gymn Competition, 2. Windsor, 3. Burland. The Geoffrey Hess Memorial Trophy. To Captain of the winning team in annual gym competition, H. R. Burland.

Cricket: Bowling Average, Rider. League Batting, McGee. Batting Average, Macfarlane. League Bowling, Winkworth. Under Sixteen Bowling Average, Mackie. Under Sixteen Batting Average, Sharwood.

Preparatory School List:

100 yards Challenge Cup, 1. Setlakwe, 2. Popham; 220 yards Price Challenge Cup, 1. Setlakwe, 2. Winder II; 75 yards (under 12) 1. Turnbull II, 2. Ogilvie II; Handicap, 1. Turnbull II, 2. Martin; Hurdles, 1. Setlakwe, 2. Popham; High Jump, 1. Popham, 2. Setlakwe; Broad Jump, 1. Popham, 2. Winder; Cricket Ball, 1. Popham, 2. Setlakwe and Williams; Three Legged Race, 1. Riley and Porter, 2. Setlakwe and Badger; Bowling Average, Setlakwe; Batting Average, Goodridge III.

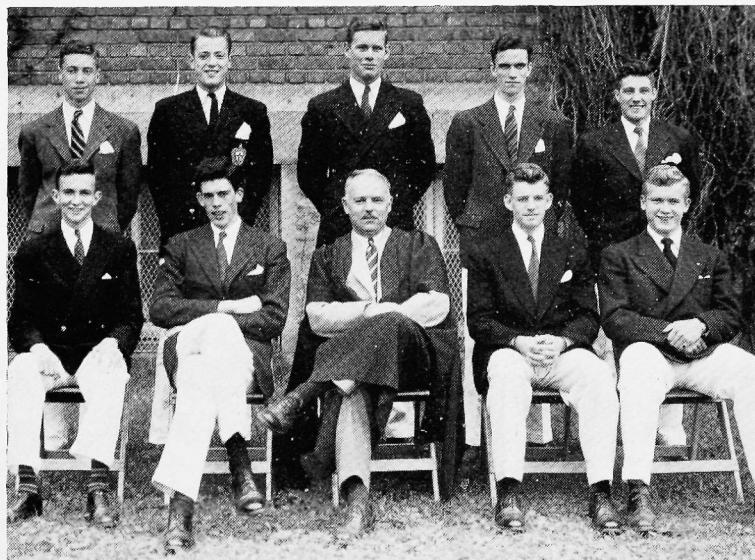

Boxing: Championship The Stoker Cup, Porter II. 100 lb. Championship, Setlakwe. 90 lb. Championship, Williams II. 80 lb. Championship, Cohen II.

Gymnasium: The Perrault Shield for Prep Gymn Championship, Badger. Whittall Cup for Junior Skiing, Stewart-Patterson. Wanstall Cup, to Captain of the Soccer Team, winners over Selwyn House, Setlakwe.

Family Race: 1. The Pattisons, 2. The Ballantynes.

All-round Championships: Preparatory School. The Richardson Challenge Cup, R. Setlakwe. Junior Championship: The R.M.C. Cup, D. Ashworth.

Intermediate, Challenge Cup, D. Stearns. Senior: The Smith Cup and Fortune Medal, R. Pitfield.

THE PREFECTS, 1946-47

Back Row:—G. B. SEAGER; L. H. WALLS; D. M. VASS; R. T. CARMAN; R. A. WILLIAMS.

Front Row:—W. C. BOSWELL; R. H. PITFIELD; C. G. M. GRIER, Esq., (Headmaster);
V. R. BENNETT; J. A. SKELTON.

Seventh Form Notes

VICTOR ROBERT BENNETT

Vic came to B.C.S. back in 1940, from Nfld. However, he soon overcame this drawback and his ready smile and quick wit gained him many friends which he carried into the Upper (not literally as he was only a little guy then). Last year Vic's excellence and popularity as a head-boy plus his achievements in football, skiing and cricket earned him the post of prefect this year. Although he just missed his junior matric last year he was put in the Seventh Form taking a partial Senior Matric course.

His brains and brawn were not confined to the French classes as this year he is also Company Sergeant Major, President of the Debating Society, Captain of the Cricket and Ski teams.

Vic has his odd habits for who else would run a mile before breakfast just to be in shape for running between wickets? Right now he is working hard for his exams and we know that he will succeed. Lots of luck and see you at McGill.

D.D.C.

WILLIAM CALDWELL BOSWELL

Bill came to the Prep School in 1941. His first year was crowned with the success of coming first in his form. In his second year he was more out-standing. During prep Bill was the central figure—everyone clustering around him—while the master was at the other end of the hall. Bill came first again and was promoted to the fourth form in the Upper school along with two other boys. Once there, he knew he must work to keep up and keep up he did. This year Bill is a Prefect having risen from a neutral to that illustrious rank. Bill also plays the piano at morning prayers. We wish him the best of luck.

D.R.H.

DONALD RICHARD HUGGETT

He joined us one September afternoon in 1940, when he entered the Prep School. He spent three years there, during which he made all three first teams, and was a close trailer for the ski team. After that illustrious record he entered the Upper, and managed to skip the third form to land in the fourth. In the Upper School he has done equally well. He was an honoured member of the "Pirates of Penzance", and in his spare time his thoughts turn towards the equine side of life. He is wished the best of everything by the School, through whose doors he passed a matter of seven years ago.

W.C.B.

GEORGE BRADLEY SEAGER (1943-47)

Crash! The walls of B.C.S. shake. Bradley has arrived back for another year, with a typewriter weighing 18½ pounds in one hand, and an enlarged scarlet suitcase weighing 35 pounds in the other. He flew

from the States this time; a novel experience in the life of our All-American stenographer.

This is his fourth year with us. He arrived in the autumn of '43, a shy little fellow with all the Hit Parade songs since 1930 on his lips. He soon had us learning them, however, and we found his surveys on blackboards most useful.

He spent a term in the third form, proved too smart, and so moved up into Fourth A, not to be left straggling behind, but to raise himself among the first three in June. This policy was continued in June '45, when he got above eighty percent in the four McGill subjects he wrote, and the year after he pulled off a first class science matriculation, narrowly missing first place in the Province by a few marks. In his Seventh Form work (for alas he is not taking a full course) I know he will do equally well.

Last year he was a head-boy at Chapman's House, and this year he moved to Mr. Patriquin's as a prefect there. His typewriter is a useful asset, making his life as Company Quarter-Master Sergeant an easier one. Besides its clattering (it's called the Underwood Noiseless), and the warbling of popular songs, we hear other odd sounds coming from the area of the room which Brad inhabits—the squeals of delight over a chess game, and the smooth sound of the French Club's irregular verbs.

He was confirmed this year, and represented the Seventh Form at the dedication of Saint Martin's Chapel.

So we close our little character sketch. William's House is gloomy. Next year we will find Bradley studying to be a teacher at Williams College, Mass. Good luck to you!

W.C.B.

DAVID McDougall VASS

Dave entered the Fifth Form here and ended his first year with an explosion, when he blew himself and his surroundings up while mixing gunpowder in the lab. Since then he has made the football team where his tank helmet was much in evidence and this year, due to his great popularity and common sense, he was made one of the elite prefects, posted at Williams House.

Dave has been a great asset to the School, especially in sports. This year he was on the line in First Team Football, he was excellent in cross-country skiing and his great strength has put him out to break the Eastern Townships Interscholastic record in the shotput. Big "D" is a hard-working boy and he usually excels in whatever he tries to do, including tennis, boxing, golf in which he is quite outstanding.

Last year our tower of strength and brains managed to get a third class matric. This year he entered the Seventh Form Science class without any trouble whatsoever and has practically been able to coast through the form. We hear that Dave plans to go into medicine or scientific research where we are sure that he will be

successful. If he gets a senior matric, which we are sure he will, Dave is going to McGill next year. We wish him all the luck in the world. N.G.H.C.

HAROLD ANTHONY HAMPSON

Although Drifty didn't appear to make a very obtrusive entrance into the fourth form, this year as he leaves the seventh he also leaves a scholastic record not soon to be beaten. Always top of his form, last year's Junior Matric results proved to be the highest for many years. Winning the Beatty Scholarship for Latin, and coming first in the Province of Quebec, he attained 87%. You may be assured that his Matric marks this year will be pretty high. In the sports world, Drifty has shown himself to be an able participant. As Goalie on the renowned Orphan's hockey team he was dynamic, to say the least, especially good on those shots he couldn't dodge and his daily sprints around the 440 are something to see. He was on first crease football this year and once upon a time he attended cricket creases. However, that is past now. He was an excellent speaker in the Debating Society and came Third in the Province of Quebec speaking contest in Montreal this spring.

Now, as a head-boy, he pays his three dollars and joins the ranks of the Old Boys after having done a great deal in every way here at school. From all those who have met him here we extend to him the hope of a very successful future. V.R.B.

DAVID HOWARD BROWN

Dave came to us from Sedburgh and entered the fourth form. He seemed to be quite as good at sports as he was at school work. Dave always has a story or joke on his tongue and is completely interested in horses. He has passed every year so far, although, like many of us he just managed to scrape through Junior matriculation last year. This year Dave was on first crease football and made the ever-journeying ski team easily.

This year, as far as school work goes, Dave has much to struggle with, especially in Latin—which he dropped last year—and intends to go to McGill next year, for second year college, we hope. Whatever happens, Doctor Dave, we all wish you the best of luck in the coming exams and hope that you make the grade.

D.R.H.

NORMAN GEORGE COUREY

The first day Norm arrived he had a "deeficulty" finding his room, for he got mixed up with a few seniors which endeared him to them. When he got straightened out, he found himself in the fifth form and playing second crease football. During the winter months he was a stalwart defenceman on the "unbeatable" Mohawk Midget team. The third term was utilized in preparing a few subjects for matric.

The next year he was in the Sixth and made the second football team. The second term he found himself again a defenceman on the Orphan team. He studied hard the third term for that 70% he got in Junior Matriculation.

We expected to see him back in the Seventh, and "Even yet again" returned as a head-boy and again played on the second football team. He was captain of the Orphans hockey team and is now studying for his Senior Matriculation, as he plans to go to McGill to study for his M.D. Good luck, Norm. D.M.V.

DENTON DOUGLAS CREIGHTON

"His thirst (for knowledge) is unquenchable!"

Doug arrived at B.C.S. with a bang in 1945 and immediately made himself quite a reputation (for what we wouldn't know). Taking time out from his thoughts of Westmount High School and the city of Montreal, he made first crease football, first ski team, and went out to track once in the summer term, thereby qualifying as a full-fledged broad jumper. This year when football season rolled around somebody else was doing the work for old Doug, as he was in the hospital. He was seen again as the star member of the Ski team, winning the Whitall Cup. "Mr. Blueblood" failed to get his matric by eleven marks—no doubt the fault of the examiners at McGill, but due to his great virility he was immediately placed in the Seventh Form this year, and looks disdainfully down on "immature" John Turpin in the Sixth. Doug is a member of the choir, and can be heard each Sunday morning, singing in his beautiful bass voice. He is throwing the discus in the track meet, plays a sensational game of golf, and thinks too much of his tennis ability. We close in wishing him the usual good luck at McGill next fall and hope he leads a "fuller" existence.

H.A.H.

PUBLIC SPEAKING CONTEST

Congratulations are in order to Tony Hampson, Head Boy and VII Former, of the Debating Society, who won the Public Speaking Contest sponsored by the Rotary Club in Sherbrooke, qualified for the Provincial finals at the Westward Club in Montreal and came third in the finals there, which were broadcast from the Mount Royal Hotel. This is the first year that the School has entered the contest and we of the Debating Society all hope that in the future members of the Society will be high on the list of Provincial Debaters. Thanks are also due to The Chairman, who in his twenty-six years as Chairman of the Society has turned out many fine public speakers.

(Note: R. R. McMaster was chosen by the Members of the Society to represent them but he fell ill with larvngitis a week before the contest.) R.R.M.

Sixth Form Notes

ROBERT HARTLAND PITFIELD (1938-47)

Last year we said goodbye to Jim Sewell, who had been in the School for nine years; this year we have another lad who is leaving after a long stay—Rob Pitfield.

Rob, or as he is more commonly known, "Horse", came galloping into the Prep School and at once he showed his ability to shine in sports and in the classroom. Before he left the Prep School he had made all the teams and was the head of the Prep in the annual Cadet Corps inspection.

When he came into the Upper School, he did not fall back in his sports and work, but kept well in front. In his second, third and fourth years he made the first Hockey, Cricket and Football teams respectively.

Robin worked all the way up the ladder from a lowly new-boy to the high position of Head Prefect which was invested in him this year. He has done a completely good job and has taken his responsibilities with a clear head and fine sense of duty from the first day he arrived. No other boy could have done as well as Rob has this year. He has been interested in everything to do with the School and everyone in it. As Cadet Major he has done a marvellous job in maintaining the high standard of the Corps.

What Rob is going to do next year depends upon the time he will have to spend on the Cricket pitch, the tennis courts and the jumping pits. No matter what happens we're all sure Rob will do his best as always in his exams and his whole future.

L.H.W.

LORNE HENRY WALLS (1942-47)

In the autumn of '42, Lorne entered the School and the third form. From there on Lorne has had his share of taking the school life as it was handed to him.

Lorne moved through the fourth and fifth forms and it was at the end of the latter year that he missed his bus—or shall we say car? However, despite bad luck in failing his year, Lorne showed he had spirit by taking an interest in football, track and skiing, making first team in the latter.

On his return the following year, Lorne was made a head-boy and was excellent, taking his responsibilities very keenly. He was manager for the School's major theatrical production and turned in an excellent job. Again he worked in sports, plugging away in football, playing on the line for second team, and in track.

Finally, in this his last year, Lorne has achieved the honour of being one of the school prefects. On choosing him, no mistake was made for he has helped wherever and whenever he could during the year. His spirit and helpfulness have been a boon to all who know him. In sports Lorne played a strong position on the line for second team and was superlative as manager of the

hockey team. In the latter Lorne was a gift, for everything was planned and carried out in the best way.

In Cadet Corps as Lieutenant of No. 1 Platoon he kept the efficiency up to high standard, doing an excellent piece of work.

Next year Lorne's plans are indefinite but wherever he goes, his spirit and friendship will carry him to the top.

R.H.P.

JEFFREY AMHERST SKELTON

When Jeff arrived at Bishop's in 1942, all the rest of the new-boys fell back in awe at this mighty spectacle which strode through centre hall. But little did they realize that this boy was soon to become one of the leaders of the School.

Jeff came up through the ranks and this year we find him a very popular prefect. He started his career in sports with hockey, but soon found holding himself up on skates was too much for his back, so he switched to skiing to gain the aid of his poles. Last year Jeff made the first football team, and this year he repeated this performance, but this time as the team captain.

He has been known to indulge in track, but has given this up lately for studying.

Jeff has been a great success in Cadet Corps as well. In his third year at the School he won the cadet efficiency medal, for the best cadet in the corps. The next year he was promoted to a corporal and this year he was Cadet Lieutenant of number three platoon.

His resounding bass voice gave him a lead in the Pirates of Penzance and also lent smooth third bass between Creighton and Turpin.

We're sure that if it hadn't been for the disastrous injury to Jeff's back, suffered in a gruelling football game, he would have reached even greater heights. We all know that Jeff is all set for a second class matric this year and will expect to see him at McGill. J.R.T.

ROBERT A. WILLIAMS

Seldom does one have the chance to meet such an all-round, good natured fellow as Bob Williams. "Bob" is really his formal party name, because from the time he entered the portals of this school, he has been known as Willy to all and every one.

Willy came to B.C.S. in '43 and he has more than contributed his share to the general atmosphere of school life. He has been on the First Rugby team for two years, this year winning the coveted Cleghorn Trophy for the most valuable player on the team. His hockey accomplishments are just as great and he enters all track meets which come his way.

Willy jumped from a neutral to a head-boy in his third year and at the beginning of this Trinity term, he was promoted to the select group of prefects. He hopes to enter McGill next year and I'm sure that if he makes the grade, he will be one of the most popular fellows on the campus. On behalf of the sixth form, Bob, I wish you the best of luck.

J.T.R.

RAYMOND CARMAN

Raymond arrived in the fifth form after Christmas in 1946. He had previously been in the Canadian Army. Coming back to school again must have been rather difficult and Ray has done very well.

During his first term here he made the First Ski Team and won the Whitall Cup. He was often seen out at general skating. He has helped Mr. Sullivan in Cadet Corps by serving as a Bren Gun instructor.

This year Ray came into the sixth form as a prefect. He has become popular among the boys and has been 2 I.C. in the Corps.

We all join in wishing Ray the best of luck and hope he will succeed in whatever field he chooses to make his career.

C.A.G.

CHARLES ATHOL GORDON

Back in '42 a young lad came to the Prep School. He was "Granny" Gordon. He was only one year in the Prep but during that stay he succeeded in making all the Prep first teams and singing in the choir.

The next year Granny came up into the third form and passed through the year to come first in his class in June.

Since his arrival in the Upper School Granny has done well in both sports and studies. He has made fourth, third and second football teams, has played hockey for the Bantams, Midgets and Orphans and has played Cricket on the Under Sixteen and First teams.

Granny has been a long time member of the Choir and of the Cadet Corps band. This year he has been a Chapman House head-boy and Band Sergeant Major, and I might add that he did a wonderful job in training an almost entirely green lot of boys.

I don't know just what Granny is going to do next year; maybe he'll return to B.C.S. for the Seventh, maybe he'll go to McGill or he might step out into the business world. Whatever he does I am sure that he'll succeed because he is so popular and jolly. Best of luck, Gran!

R.T.C.

ROBERT HOWARD

Bob first entered B.C.S. in September '42, and began his scholastic pursuits in three-B. From there he rose steadily to the sixth, however, not without a lot of hard work.

Bob has been a member of first football, hockey and cricket creases during the past year, after having a fairly even rise up from the minor teams. This term brought forth his First XI colours.

This year found him a head-boy at Chapman's House, and a Sergeant in the Cadet Corps. He served a term as Chalet president and as a member of the renowned B.C.S. Debating Society!

One of his major difficulties seems to be that romantic subject, "Linguam Latinam". However, if the fates favour him, he should get through at the day of reckoning.

Next year Bob has designs on U.B.C. with a pre-med course in view.

Here's to your matric and your future! N.E.W.

HARTLAND MOLSON MACDOUGALL

Hart disturbed the peace and quiet in 1942, starting in the Prep School. Spending two years there, he made both the soccer and cricket teams, becoming captain of the latter. He then burst in on Middle School life by skipping the third form due to his high marks in the Prep.

In his new-boy year he made the Bantam Hockey Team and was captain of the Under Sixteen Cricket team. He glided through the fourth form and into the Upper School where he made the Orphans Hockey Team. This year, in the Sixth, he is a head-boy and was on the winning Senior House Rugby Team. He also made Midgets and Orhpans Hockey teams. That about rounds off Hart's career at B.C.S. and we wish him all the luck he'll need in his matric and wherever he goes after leaving here.

I.L.M.

IAN L. McCULLOCH

Ike joined the Prep School in 1943 and proceeded to make every team there, becoming captain of the Bantams, to which impressive record he added a class 80% in the year. Since then, in the course of the last three years he has risen from Bantams to Midget Hockey Champions, from soccer to captain of a School House Rugby team, and from Under Sixteen Cricket to First Team.

Another achievement of his ambitions was realized when he became Sergeant of No. 2 Platoon at the beginning of the present year and a head-boy in the Sixth Form. He has fallen from treble to tenor in the choir. Whatever comes, Bon Voyage, Ike!

H.M.M.

THOMAS EVAN PRICE

A small lad came upon us in '44 and little did anyone guess that he would become one of the most outstanding figures in sports and out.

He entered the fourth form and played third crease rugby also starring as centre on midget hockey. He passed into the fifth, and still growing, he played on the Upper Sixteen football team and played goaler as a change for Midgets. During that summer term he obtained the highest batting average on the Under Sixteen Cricket Team and let us not forget that Tom won the Junior all-round in that year.

Now, still growing, we find him a headboy in the notorious "F" dorm. We also see him working hard, not only in studies but on the field for he captained the very successful second rugby team and there is no need to mention what a brick wall Tom was as he starred between the pipes for First Hockey Team. His good fielding and batting have made him a very valuable player on first cricket.

Besides these numerous accomplishments he has a sparkling personality and we hope to see him back again next year.

R.A.W.

JAMES MICHAEL BALLANTYNE

"Come on and hear, come on and hear, Alexander's Ragtime Band."

Three years ago, Bix arrived in Lennoxville with a suitcase in one hand, and an accordion in the other. He entered the Fourth Form, where he distinguished himself scholastically, and that winter, skied for the Junior Team, which incidentally, won the meet at North Hatley once more. By joining the French Club, he tried to increase his vocabulary, and as a result, he is spending the summer at Trois Pistoles this year.

1945 found Bix in the Fifth and down at Chapman House, listening to Club 800 faithfully and managing to stay on First Crease Cricket for two weeks. The term before, he was awarded the Senior Porteous Cup for skiing. When the boxing tournament had drawn to a close, he fought in the finals of his weight, but was unfortunately disqualified after a brief exchange of blows.

Promoted to the Sixth Form with first class honours, and the rank of a head-boy, he spent most of his time playing his collection of hot jazz, but took time out in the Lent term and skied well on the First Team. We like his "solid" personality, and even the loud colour schemes he tends to wear, however his taste in music seems a little too much for most people!

Next year, Bix HOPES to continue his studies at Prof. Jenning's, that is, if he gets a good matric, which shouldn't be too difficult for him. We wish him the very best of luck.

C.R.M.

JOHN HECTOR GRAY

John clumped in with his trunk on his back, chewing a large lump of bubble gum. He made First Team Football his first term here and had the same success again this year. After one term his abilities were recognized and he was promoted to a neutral. He played on First Hockey Team and later on First Cricket.

This year John was promoted to a head-boy. He was injured during the football season in one of the games and for this reason he was unable to play a full season of hockey. This term he has been manager for the Cricket Team.

John has not only excelled in athletics for he also has been doing well in class. He is sure to get his junior matric this year and we hope he can achieve a first class.

Whether he returns next year or goes on to McGill is not yet certain for he says he wants to be in town on St. Patrick's Day. Anyway, we wish him all the best and hope he is as successful in the future as he has been here at school.

D.G.M.

DOUGLAS SHEARD

After a successful career in the Prep, Ducky went into the fourth form on being promoted to the Upper School. Considering that he was only twelve years old at the time, this seems to be quite an accomplishment. An ardent rugby player, he was on the winning team of the Junior House League for two successive years. He backed up the good record by making a name for himself as a Bantam Hockey League defenseman. This year, however, he has partially retired from sports in order to put his entire efforts into scholastics.

President of the Stamp Club, he claims to have a valuable collection, and is often seen peering through a large magnifying glass at some rare stamp. We are quite confident that he will get his matric this year and he has the best wishes of his fellow classmates. A.V.C.

ALBERT VERNON CORLETT

Al entered the third form in September, 1943 and has now attained the dizzy heights of the sixth via forms four-B and five science.

Al shone in long distance running and skiing since he first arrived, but it was not until his second or neutral year that his efforts were tangibly rewarded. For first place in the Junior cross-country Albert was presented with the Henneker Trophy. It was not for lack of effort that the senior cross-country trophy slipped through his fingers the following year and last year's loss only served to spur him to greater efforts this year and he was awarded the elusive cup.

He will be returning to the Seventh form next year and will subsequently enter the Faculty of Engineering at Queen's University.

It seems certain that Albert will go far in whatever field of endeavour he chooses and we sincerely wish him the best of luck.

E.P.W.

PAUL WINSLOW

In the back of the sixth form we have "Winnie". He came to three-A in 1943 from the Prep School. He has those little grey cells in that big head all arranged so well that if you look at a list of the boys' standing you will find his name very near the top.

In sports you can see him on third football crease, not because he isn't any good, but because he has not the stature and weight for the upper creases.

Winnie will be back next year but his career from then on is still undecided. I know that he will get on in the business world and we all wish him good luck.

L.E.R.

JOHN MERTON SCHOLES

We first met this genial little fellow in the fall of '44. After spending two years in the Prep, he graduated into the fourth form. Better known as "Mole" to most of us, we know him especially for his laughing face and occasional really witty remark. His new-boy year

was highlighted by the reward for the best recruit. This, coupled with good work in the classroom, got him off to a good start.

He spent his second year in Chapman House where he was a constant asset to the friendly atmosphere there. He played defence for the Bantam hockey team and also was a great laugh in the play, "Much Ado About Nothing".

This year he has settled down to hard studying and we wish him the best of luck in all he attempts. H.B.B.

HUGH BLAKE BIGNELL

Hugh, who is one of our more renowned Quebec boys, arrived at B.C.S. in September, 1944. Better known to his many friends as "Doc", he has distinguished himself in class as well as in sports.

In his first year here Hugh was a member of the fourth form where he won a History prize. He was also one of the famous "F" dormers and held a position as defense on the "Mohawks" hockey team. Last year he won the History, French and Spanish prizes in Five Science.

This year Hugh was a regular on First Football and First Hockey teams. He also represented the School in the shot put, javelin throw, pole vault and the 880 yd. run in the Track Meet in Sherbrooke.

In his studies he is trying for a science matric and may come back next year for his Senior. Wherever he may go, I am sure he will continue to have many friends and we all wish him the very best of luck.

J.N.S.

Ross R. McMaster

"Beak" came to the school back in '44 during the second term. At first he was regarded with curiosity, as are all new-boys, but soon proved himself to be a regular fellow and an all-round guy. Beak joined the Debating Society and has risen to greater and greater heights of eloquence through the years. Last year he entered the boxing competition and emerged the school Middleweight champion. Beak proved to be a most potent tackler for first team football and unfortunately broke his nose in one particularly rugged dive, in which his opponent had to be carried from the field.

Beak was to be seen during the winter months, christying down the practice hill, or shooting down the hills at Hillcrest in his old and famous touqe.

He was an active participant in the Sherbrooke Track Meet, where he unleashed previously undiscovered potentialities as a runner by running a beautiful 220 yards to the surprise and delight of all. He also had a hand in the javelin throw.

We have neglected to say much about Beak's academic activities but suffice it to say that with perseverance we find him in the sixth this year anxiously trying for his matric. We all wish him the best in that, in college and all else to come.

J.A.S.

CHARLES ROBIN CARRINGTON MOLSON

Robin came to the fourth form in September, 1944, having left Selwyn House with distinction. He has now reached the sixth form by way of form five arts.

Ever since his arrival, Robin has been noted for his hard work and his ability to make tiny model boats. Last year he made second hockey team and this year was on Orphans. In football this year, his running made him a great asset to his team in the Senior House League.

Robin is taking his Junior Matric in Arts and Science this year. Next September he'll be back again, in the Seventh Form to take his Senior Matric. After that he will embark upon a career which as yet is undecided. Whatever it may be, his perseverance will ensure his success.

W.

MURRAY CHURCHILL MAGOR

That orbèd lad with white fire clad whom mortals call the moon.

"Mur" left Selwyn House two years ago to join us. He showed himself capable on the field and in the classroom. He joined the choir and at the end of his first term here, due to his academical, vocal and physical efforts, was promoted to a neutral. During his second term he played for the Midgets as their regular goalie and did a creditable job.

This year he has been playing in the Senior House Rugby League and later on First Crease football. In the winter term he was sub-goaler for First Hockey Team but had only one chance to shine in a scheduled game which, needless to say, we won.

Now he is a staunch member of the Track Crease and is on the track team for the second year. Studying for a first class matric seems to us hardly necessary in his case.

His smiling personality has won him many friends of both sexes and will insure a promising future. Next year he plans to go to Stanislaus—to learn to speak French, he says.

N.H.A.G.

NEILL WARNEFORD

Neill arrived at B.C.S. in September '43 carrying with him the many customs and traditions of the West Indies. At first our way of life was rather singular to him, but before too long he adapted himself to it.

Although handicapped by the newness of our Canadian sports to him, he soon proved himself to be a promising footballer, and has steadily risen on the creases. During the winter term Neill took up skiing, and not long after he could be seen tearing down the Practice Hill at a break-neck speed. However, he survived.

When the Trinity term rolls around we find Neill on his home ground as cricket rolls with the term. He proved to all that he was not a bowler to be trifled with, and not a batter with whom you could play a silly mid-off.

Now, please don't think Neill is all play and no work.

At the moment, with Matric looming dangerously close, his main thought is work.

At present Neill's plans are somewhat indefinite, but whatever he does, and wherever he goes, we wish him the best of luck.

R.C.H.

DAVID GREENE McMMASTER

Dave came to B.C.S. along with two other Selwyn House boys in 1945 and immediately established his popularity by his small stature, cheery expression and his ability to check and manhandle boys often twice his size. He played hockey on First Team and such a brand of hockey as was responsible for many a win. For his fine sportsmanship and team spirit he was promoted to a neutral the following term.

He played on First Team cricket the same year and in '46-'47 he made second team football and for the second year first hockey and cricket teams.

Mick's pet peeve seems to be his own hair. It sticks on end night and day; which brings up the question, "Is it electrically charged?"—but he treats his hair like the joke it is.

Mickey's trying his matric this year and the way he's working we all expect that he will get it. In any case we hope he does.

He thinks that he'll be coming back to Bishop's for another year and whether he does or not, we all wish him the best of luck in his future life where we know his good sense of humour will cheer many.

J.H.G.

JOHN RICHARD TURPIN

Johnny entered B.C.S. after spending some years at Montreal High. His arrival in 1945 was marked by excellent play in both First Crease hockey and football. He also made the track team in the spring. His first year was climaxed by his fine performance in the "Pirates". At the annual inspection he was awarded the medal for the best Cadet of the year.

This year Johnny has taken up an extensive study of Schubert's works, both on the accordian and the piano. John played snap for the First Football Team. As well as playing an excellent all-round game he always managed to get the ball quickly to the quarter-back and was chief morale-builder on the team when things weren't at their best. He also played a fine game of hockey but didn't quite manage to get his colours. Johnny entered the high jump event in the Sherbrooke Track Meet.

His excellent bass voice will surely be missed next year by the choir where he has sung for the past two years. John's role as Hotspur was superb and it added a great deal to the success of the play. Johnny's studies have been going very well this year and we wish him the best of luck both in his matric and for the future.

R.R.M.

LEONARD ENGWELL ROWLAND

Len joined us in 1945 from Montreal, coming into the sixth form and thus evading the "new-boy" year. His main interest, trains, seems to keep him busy running along the Q.C.R. tracks above the school, camera in hand, trying to get a close-up of the newest engine. This hobby also gets him a great deal of mail and free passes on the C.P.R.

He is an ardent member of the bass section of the choir and one may see his tall and handsome figure above the rest for he claims to be six foot one. He is also our arch-server and can be seen at the altar when his face is missed in the choir.

He is quite a track fiend, too, and sometimes is seen in the early hours of the morning making his way around the white posts which stake out the mile.

Altogether since he has come here, his friendly disposition has made him popular amongst all, from new-boy to prefect.

D.S.

NOEL HERBERT ALAN GOODRIDGE

"What thou art we know not;
What is most like thee?"

—Shelley

One spring evening, the door of "D" dorm opened and in walked a pleasant looking fellow, bag in hand. Several days later, this "Newfie-ite" was dubbed "Benny" by a prominent "C" dormer. He quickly fell into the "D" dorm way of living and, as the newest new-boy, created a precedent by taking track instead of cricket. He also went on to show that he is quite a scholar and gymnast. One of Benny's own claims is that he is socially prominent and by the amount of mail he receives, it seems very probable. However, the source or sources, of these letters remains Benny's own secret. Being a member of the Debating Society, his arguments nevertheless are full of Illicit Majors and Undistributed Middles, but he can still defeat any opponent by a series of witty cracks. Wherever Benny goes after leaving B.C.S., his cheerfulness and bright disposition will be invaluable to him.

M.C.M.

FORM MOTTOES All that is not compulsory is forbidden.
Anon.

We live and learn but not the wiser grow. Pomfret.

FORM MASTER "But give me the snoring breeze and the white waves waving high." Cunningham.

HONORARY MASTER "Where there is confusion there is no progress."

ALMOND "Some achieve greatness." Shakespeare.

BALLANTYNE II "All reformers are bachelors." Moore.

FURSE "The trumpets are blown, the kettle drums clashed . . ." Scott.

LAWRENCE I	"All the world's a stage and all the men and women actors on it." Shakespeare.
LEMESSURIER	"None but the lonely heart." Film.
OAKS	"Give me liberty or give me death." Patrick Henry.
OGILVIE	"And by the bright St. Andrew's Cross." Ayton.
SHARWOOD	"But still have I borne it with a patient tongue." Shakespeare.
TENNANT	"A little thin . . . neat, not gaudy." Wordsworth.
WINKWORTH	"A woman is only a woman, but a good cigar is a smoke." Kipling.

E. LeM., G. A. F. and Class

Fourth Form Notes

A is for Abbott and Ashworth, that's me,
 Tony's a liberal, and well he should be;
 B is for Bird, a very nice fellow
 C is for Calder, both chatty and mellow
 Christie from Thetford, Roy from S.A.,
 Both well liked by all, I should certainly say;
 Cole is a Yankee, from Maine, by the sea;
 Dawson from Sherbrooke and our only D;
 G is for Gilmour, at golf so renowned;
 Glassford is happy—his yo-yo's been found!
 H is for Hickey, so big and so strong;
 J is for Jones who can never be wrong;
 K is for Kilroy (how did he get here?)
 Who keeps popping up at all times of the year;
 M is for Martin who hails from Quebec;
 Morkill's a shark when you give him a deck;
 P is for Pattee and Patterson too;
 Bobby with radios wonders will do;
 Phillips, a girl slayer heavily dated;
 Jack Price and Keith Price in no way related;
 S is for Salter, good for a jest;
 Scheib and Sperdakos, two of the best;
 Steeves is a fine lad, tall but so neat;
 T is Tremain with rather large feet;
 W is Willis the last of our group:
 What do you think of this solid troop?

D. W. A.

Three-B Form Notes

THE ZOO TO END ALL ZOOS

I sauntered over to the first cage, which was marked "African Exhibit", my program in one hand and a bag of animal food in the other.

Imagine my surprise when I saw a donkey (1) kicking up his heels and seeming to make a general nuisance of

himself. In the far corner a jackal (2), in one of his better moods, was cracking jokes at the donkey, while a wolf (3), his pal, was translating them from French into English. A gazelle (4), not in the least disturbed, was using up his excess energy by running circles around a certain cow (5), who seemed to have got there by mistake and was trying to operate a golf club with its tail, but an ostrich (6), swallowed his golf ball and had now buried his head in the sand.

Looking in the surrounding cages, I noticed a sloth (7) snuggled up in the branches of a rotting tree, sound asleep as usual. A brown bear (8) nearby was reaching into a beehive for some honey guarded only by a lone bee (9) which was singing away at the top of its straining voice.

In another cage an ape (10) was swinging from tree to tree, practising for next year's gymnastic competition. Down the path a short way a group of hares were racing about but one (11) was especially noticeable because he was trying to tell the others what to do. Here I noticed the mounds made by a mole (12) who at this moment came up to see what was going on.

In the bird section, a pigeon (13) was attempting to live up to the first part of his name while reading anything in sight. A magpie (14) was screaming the latest news to the other birds and asking each in turn to come and spend Sunday at its nest.

Picking up a comic book which lay in my way, I noticed a tiny flea (15) jumping to and fro over it, evidently deeply concerned with the fate of Anyface. An ant (16) was trying to turn the page to find out how Donald Duck was making out. Donald's cousin, H. Duck, I found in a pool at my right. There a great calamity had just occurred. A dangerous shark (18) was heading towards the unfortunate duck but due to the fact that the shark didn't have his glasses on, the duck managed to reach dry land in safety.

Because it was now closing time, I was obliged to leave, expecting to return again next year to see what new interesting specimens will have been added to the present collection.

Note:—Any similarity to animals living or dead is purely unavoidable.

For those who haven't already guessed:—

- (1) Lucas; (2) Willcox; (3) Garneau; (4) Giles; (5) McGee; (6) Stevenson; (7) Peirce; (8) Tatistcheff; (9) Burland; (10) Windsor; (11) Rogers; (12) Smith; (13) Hogg; (14) Boright; (15) Fuller; (16) Stuart; (17) Hyndman; (18) Ross.

Hockey Foreword

It needed only a touch of clairvoyance to predict a great season in 1947. Material was of high calibre, and, in places, plentiful; spirits were high, and dead-wood conspicuously absent. The grand-slam results—three titles to three School teams—justify December's optimism. Back came the A.O.B.A. Cup, won by handsome scores; making its first appearance at B.C.S. is the Perrault Trophy, won by the unbeaten and united Midget team in Q.A.H.A. competition; and the Bantam's not to be outdone, topped their Irish nemesis, St. Pat's, and added the sectional 13-year-old title to the School's honour list. In the running also were a very fair Orphan team which took Sedbergh's best efforts in their stride, and a Prep crew which won several games in Bantam competition and topped Selwyn House in their annual fixture.

Emphasis on team work might well be the best single explanation of this all-round success. It's the moving picture of co-ordinated effort that makes hockey, we feel, the sport to play, the sport to watch when playing days are over. To those who love the game, there is much more to teamwork than the adept giving or taking of a pass. Split-second judgement born of trial and error, reliability, unselfishness, industry, and above all, self-discipline of the highest order in sports—these are the elements which make Canada's national game one worthy of Canada's finest young men.

Hockey, at B.C.S., is more than a spectator sport. Seventy percent of all who turned out for hockey met outside teams in organized games, and intra-mural contests took in all the others. Our policy, sedulously pursued, of playing set teams through to victory or defeat without packing them to win titles, has produced two desirable results. The First Team's 14-year record, mentioned elsewhere, indicates that we have had material reserves for turning out a good School team every year; our faithful younger players have played with confidence that they will not be passed by when their team faces a crucial test, and older, or better, boys substituted, however legally, from a team of higher standing.

With plenty of experience, with weight and excellent leadership, First Team made a show of the other clubs in the A.O.B.A. Trophy series. Locally, they amazed and consistently defeated a strong U.B.C. team composed largely of veterans, and lost a heartbreaker to Racine, Provincial Juvenile semi-finalists. The junket to Saint John, New Brunswick, was a sporting epic, and revived old friendships as Alfie Oland assistant-managed the team at Gerry's right hand, and John "Chokey" Taylor was a perfect and delightful host. Rothesay's gentlemen, themselves, were also the best of good sports.

Montreal's bogey, the shortened game, caught us

again at the Verdun Auditorium, where Montreal High made it two straight over us in the revived series of friendly games.

Pitfield gave his team superior captaincy, and continued his long first-team career with the enthusiasm which has marked him ever since he was a towering Bantam in the Prep. Old Colours strengthened the squad (it was not ever thus), while the mavericks supplied a zip and dash that couldn't be found last year. Notably, Glassford developed a baffling shift and an illusive change of direction behind the enemy's net that paid off in goals. Dave Stearns broke straight down the ice, his eyes, only, roving, and fed telling passes with shrewd judgement. Bignell, when in form, was heartbreaking to attacking forwards, playing them hard, but cleanly, behind his blueline. Williams and Ross I, rounded out a defense that was second to none in recent years, as both were vastly improved players. Hartt, used frequently on left wing, plugged away, and covered very acceptably.

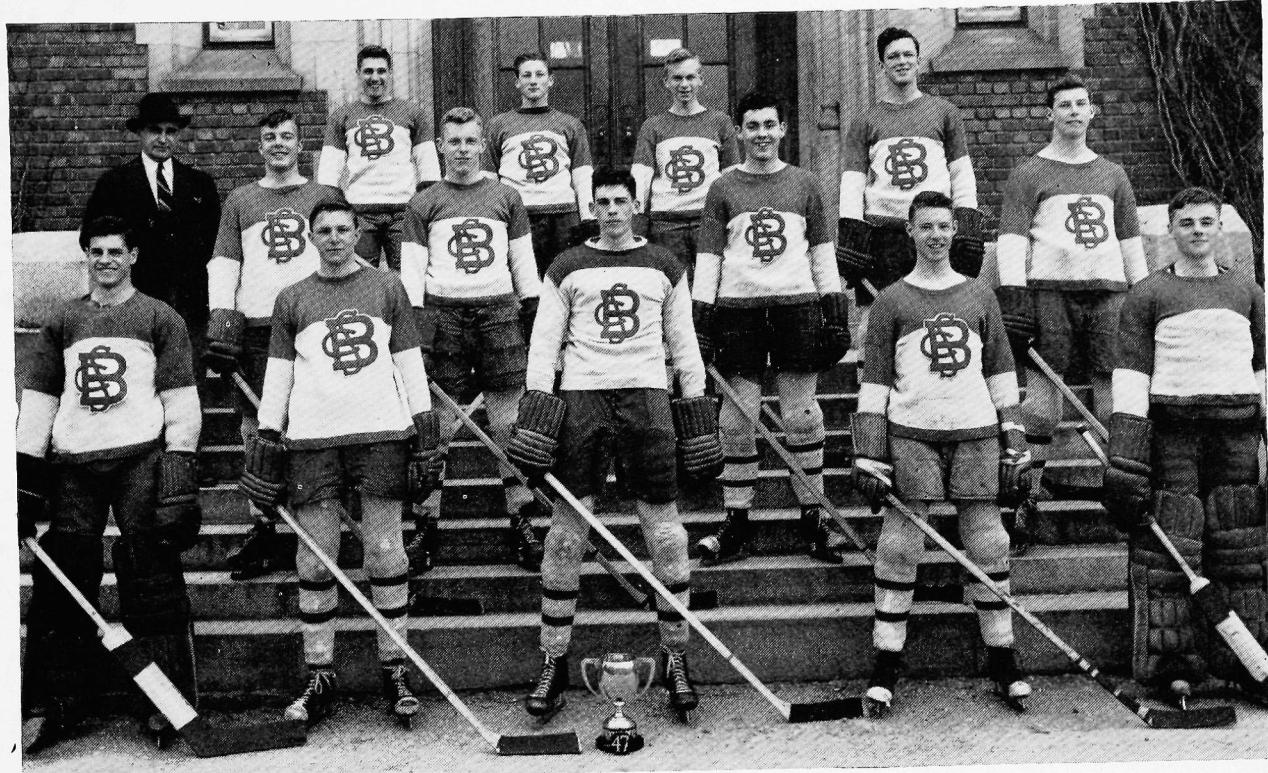

Of the oldsters, David McMaster caught the eye as perhaps the most versatile and free-skating forward, while Gray continued his pace of last year as a man most difficult to stop. A tendency to nurse the puck when his linemen were in a better position to score than he, and an inclination to charge, detracted somewhat from a fine season's play, cut short by illness while our winning skein was yet unbroken. Rider was steady, if rather disappointing in his slowness to get into scoring position. His forechecking still excels his ability to come back with a fast-breaking play, while his shot is once again his ace of trumps. Jones slowed down markedly in the last half of the season, and often skated too much (in circles, around the visitors' net) to be effective defensively, though his shot was probably harder, and more accurate, than ever.

In goal, Price I and Magor filled the nets capably. Tommy required a welter of work to shake off his nervousness, and finished stronger, invariably, than he began a game. In Magor's one first team appearance, he held the U.B.C. Vets to a brace of goals, and was a reassuring, morale-lifting reservist in all other games.

Back in 1931, Mr. Gerald M. Wiggett, B.C.S. '09, returned to the School to coach First Team. With the exception of three years, Gerry has since stood to the right of the bench, directing his charges with a minimum of show and exceptional success. At the conclusion of the 1947 season, the record stands:

Games won, 100; Lost, 52; Tied, 13.

Ashbury Old Boys' Association Cup won, 1937, '38, '40, '44, '45, and 1947. Only once has his team had a "losing" year.

FIRST HOCKEY TEAM
WINNERS OF ASHBURY OLD BOYS CUP

First Row:—T. PRICE; D. GLASSFORD; R. PITFIELD, (Captain); F. RIDER; M. MAGOR.

Second Row:—G. W. WIGGETT, (Coach); D. STEARNS; J. GRAY; E. JONES; H. BIGNELL.

Third Row:—R. WILLIAMS; D. McMASTER; R. HARTT; J. ROSS.

Absent:—L. WALLS, (Manager).

More, much more has gone into this record than will ever appear in figures. Gerry's high code of sportsmanship, his quiet but effective control, his thorough knowledge of the game, his healthy belief in his boys, combine most happily with his love for the School and its best traditions. Thank you, once again, Gerry, for another fine team.

FIRST TEAM HOCKEY GAMES

BISHOP'S UNIVERSITY vs B.C.S. JAN. 21 WON 6-3.

The School opened the season with a well earned victory over the U.B.C. squad. Showing superior team play, the School kept the puck constantly in the U.B.C. zone, but scored four of the six goals in the last period. Early in the first, Pitfield scored to give B.C.S. the lead and Stearns added another in the second, but U.B.C. came back moments later to score. The University fought their way to another goal at the beginning of the third period to tie the count, but B.C.S. then opened up to take the lead. Two goals by McMaster and one each by Jones and Rider found their way behind Setlakwe, before U.B.C. again counted late in the period. David McMaster was the most conspicuous forward, while Price played a fine game behind a tight defence. Hunter Wilson stood out for the University.

L.C.C. vs B.C.S. FEB. 1 WON 7-2.

In the most looked forward to game of the year, B.C.S. avenged last year's 2-1 defeat by trouncing L.C.C. 7-2. The School, playing without the services of Captain Rob Pitfield, nevertheless showed too much speed and teamwork for their rivals. L.C.C. jumped into an early lead on a very fine goal by Henry but Rider soon tied the score unassisted. Before the period ended, McMaster scored two goals assisted by Gray, to give B.C.S. a 3-1 lead. Jones made it 4-1 in the second before Bell counted L.C.C.'s second goal and then McMaster completed his hat trick, again assisted by Gray. B.C.S. added two more goals in the third period by Gray and Glassford, who fooled Mooney by scooping it in from behind. McMaster and Gray again led the attack for B.C.S. while Henry was the best L.C.C. player. The game was clean and fast, with only three penalties handed out, two to B.C.S.

BISHOP'S UNIVERSITY AT B.C.S. FEB. 4 WON 5-2.

B.C.S. continued to show its superiority over the University by winning 5-2, still without the services of Pitfield and Price as well. This game was faster and closer than the first, but B.C.S. still had a definite edge. U.B.C. pressed hard at the start but were unable to score. The first goal of the game went to Jones who raced down right wing and shot the puck past Setlakwe, but U.B.C. came right back to knot the count. Dave McMaster continued his scoring streak by tallying from an impossible angle near the period's close. His brother Dick tied the score at the beginning of the second, but B.C.S. again pulled away on Gray's fine effort. Two more goals by Bignell and Hartt in the third period rounded out the score. There was no particular star for either team. B.C.S. showed fine teamwork and U.B.C. played a much more inspired game than before. Several penalties were received by each team.

February 8th— B.C.S. vs ASHBURY Won 12-2.

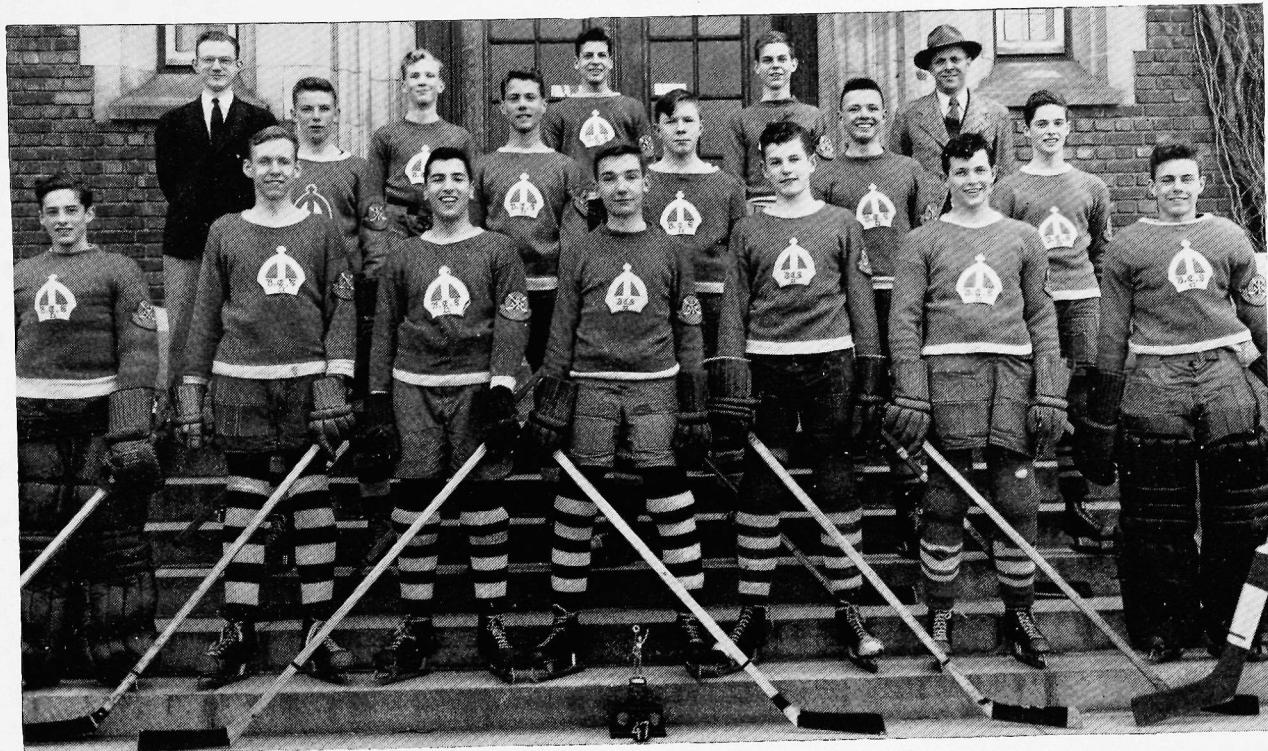

B.C.S. regained the Ashbury Old Boys' Cup by defeating Ashbury 12-2, following up their win against L.C.C. The game was the poorest to date, marred by too many penalties and whistles. Experience and team play were the margin of difference as B.C.S. piled up the high score. Like L.C.C., Ashbury scored the first goal, but this lead was not long-lived. Johnny Gray scored two fine goals and Pitfield added two and Bignell one before the period ended. Ashbury's spirit and fight gave them another goal in the second, but B.C.S. returned to the attack, and a long shot by Rider counted seconds before the bell. In the final frame, B.C.S. scored almost at will as Gray got his third and fourth goals, and McMaster, Jones, Glassford and Stearns added one each. Gray was a dynamo on the forward line, but the team as a whole lacked its usual colour. Ashbury never gave up and tried hard all through the game.

February 15th— OLD BOYS vs B.C.S. Won 6-2.

Showing superior condition and team play, the School downed a good aggregation of Old Boys 6-2 in the annual clash. The Old Boys put all they had into the game at the start, and Pete Satterthwaite gave them an early lead. They kept B.C.S. out till the middle of the second period, when Gray shot the puck in as Stoker dived out. Two periods were all the Old Boys could take, and B.C.S. outscored them 5-1 in the third period. Pitfield started the ball rolling with two counters, followed by Gray and McMaster in quick succession. Brown was finally able to beat Price's fine goal tending for the Old Boys' second and last goal, and Gray rounded out the B.C.S. in the last minute of play. Gray, Pitfield and Price starred for the School, while McBoyle led the Old Boys' attack. Stoker put on a fine show of jack-knives, swan dives, and giant swings in the Old Boys' nets throughout the game, but made some sensational saves nevertheless.

February 18th— RACINE vs B.C.S. Lost 4-3.

The School dropped its first game of the year to a fast-moving team from Sherbrooke. Always a slow starter, the B.C.S. team found it disastrous this time as series after series of short passes gave Racine an early 3-0 lead. Almost out of the game before it got well under way, B.C.S. gamely fought for the offensive and just before the period ended, Rider let go one of his driving shots from outside the blue line and scored. Racine got their fourth goal five minutes after the second period started, but again the lead was cut when Glassford scored on a deflected shot. B.C.S. continued the attack and a nice play by Rider gave Glassford the opportunity to score and bring the count to 4-3. From then on Racine tightened up and B.C.S. was unable to score. Glassford and Rider carried the B.C.S. attack, while Gray's absence

was keenly felt, though Hartt very ably replaced him. The game was clean and fast, and Racine deserves a great deal of praise for their victory and style of play.

February 22nd— B.C.S. vs ROTHESAY Won 8-3.

Before a large crowd in the Forum at St. John, B.C.S. followed up last year's 2-1 victory against Rothesay. After a slow start, B.C.S. had little trouble with the Rothesay team which showed speed but inexperience in the opponents' zone. Pitfield cancelled an early Rothesay lead by scoring after shots by Rider and Glassford were stopped. Glassford did not miss on his second try, scoring from behind the net. The second period saw Pitfield score twice and Glassford and Ross once each. Glassford's goal was particularly notable as he fooled the defense and the goalie by fine stickhandling. Ross scored his second goal, using Rider as a decoy and shooting a high drilling shot into the net. Rothesay fought back and scored twice, but Rider ended this rally by scoring the visitors' eighth goal. Ross, playing his first major game, was very effective and shared his stardom with Glassford. Rothesay played hard, fast and clean hockey but lacked experience and team play.

February 28th— B.C.S. vs MONTREAL HIGH SCHOOL

B.C.S. dropped the last game of the season in an

abbreviated contest at the Verdun Auditorium to Montreal High School. The team was far off colour and only sensational goaltending by Price prevented a higher score. Just past the halfway mark, M.H.S. finally broke through Price's wall for a goal and despite some good chances, B.C.S. could not even the score. Near the end of the period, Stuart of M.H.S. was injured and several minutes passed before he could be carried from the ice. In the second period, M.H.S. scored again after three minutes of play on a two-man breakaway. They added two more on a deflected shot and a scramble, to end the scoring. Due to a time limit, and the injuries to Stuart and Price, whose head was cut, the third period was not played. B.C.S. showed none of its usual ability, although Price rose to the occasion expertly in the nets. Pritchard also turned in a fine performance in the opposing net.

MIDGET HOCKEY

Midgets of 1947, Provincial Semi-finalists (retired), unbeaten and untied in Q.A.H.A. competition, wrote up two records which raised the standard of the School's minor hockey to a new level.

First, or more obviously, they established a competitive record, by far the best of our sixteen years in the Q.A.H.A., by winning their own league, taking the

French public school titlist, then the French boarding school champions for the District title, and finally knocking out St. Hyacinthe Saints for the Provincial quarter final championship.

More importantly, we believe, they won the goodwill and admiration of all their competitors, the Q.A.H.A. officials, and their friends by an ever-improving brand of superb team play which, as they mastered it, became extraordinarily clean and well co-ordinated.

Midgets operated, as usual, with those who weren't quite experienced, heavy or fast enough for First Crease, passing up, as last year, three excellent Midget eligibles, but giving a full schedule of games to three more players who would have been dropped had a packed team been entered. After ten days of practice, they shaped up as an ordinary team, no more. Two rather soft wins over league opponents brought them up against Lennoxville High's first team in an exhibition which was undoubtedly their best lesson of the year. They made all the mistakes in the book; they drew silly, chippy and concurrent penalties, and they lost, ignominiously, 10-3,—their sole defeat of the season. From then on, their play was a triumph. Penalties virtually disappeared, the forward lines shuttled the puck for more and more goals, and the defense collaborated with mounting effectiveness. With the annihilation of Lennoxville's bid for the league title, they picked up momentum to sweep through the playoffs, improving in each game. The St. Hyacinthe farewell performance was, in our books, a classic. In the face of indifferent refereeing, in spite of hacking, slashing and holding, they stuck to the ice, cautiously tried out the full strength of the opposition, then blasted them into submission in as fine a display of Midget hockey as the district has seen in at least sixteen years.

Their unfortunate withdrawal from the Provincial play-downs left unsettled the question as to their ability to take the Quebec title, but there is no doubt as to their quality as a team, an improved, a developing team, a team which we shall remember as one that ranks with the best ever turned out at B.C.S.

MIDGETS' SCHEDULE

Jan. 23.	Midgets at St. Pat's	Won 3-1.
Jan. 25.	Sherbrooke High at Midgets	Won 4-2.

Against	10	11	10

BANTAM HOCKEY 1947

To sum up the year very briefly, we were in a league with the Prep, Lennoxville, St.Pat's and the Y.M.C.A. We won six of our eight league games, losing one to St. Pat's and tying them once. The end of the season found us in second place in the league, with St. Pat's in the lead. In a sudden death game for the league championship at the Sherbrooke Arena, we finally got St. Pat's measure and beat them 4-1. This placed us in a position to play one game with the champions of the other Sherbrooke league for the District Championship. We were not able to play that game due to the nearness of examinations and the growing flu-mumps-measles epidemic. Who would have won the championship is a matter of conjecture, but we are convinced we would have at least given them a good run for it.

PERSONALITIES

Ross was team captain by election. He played a good steady game at centre between Scheib and Rankin, doing more than his share of scoring and deporting himself very well in the capacity of captain.

Giles was the other centre. A strong skater and a hard worker, he played between McCulloch and Willcox on the high-scoring line.

Willcox was easily the high scorer of the season, getting as many as seven goals in one game. He has a good shot.

McCulloch is a strong, fast skater and a good stickhandler. He plays a steady, dependable game.

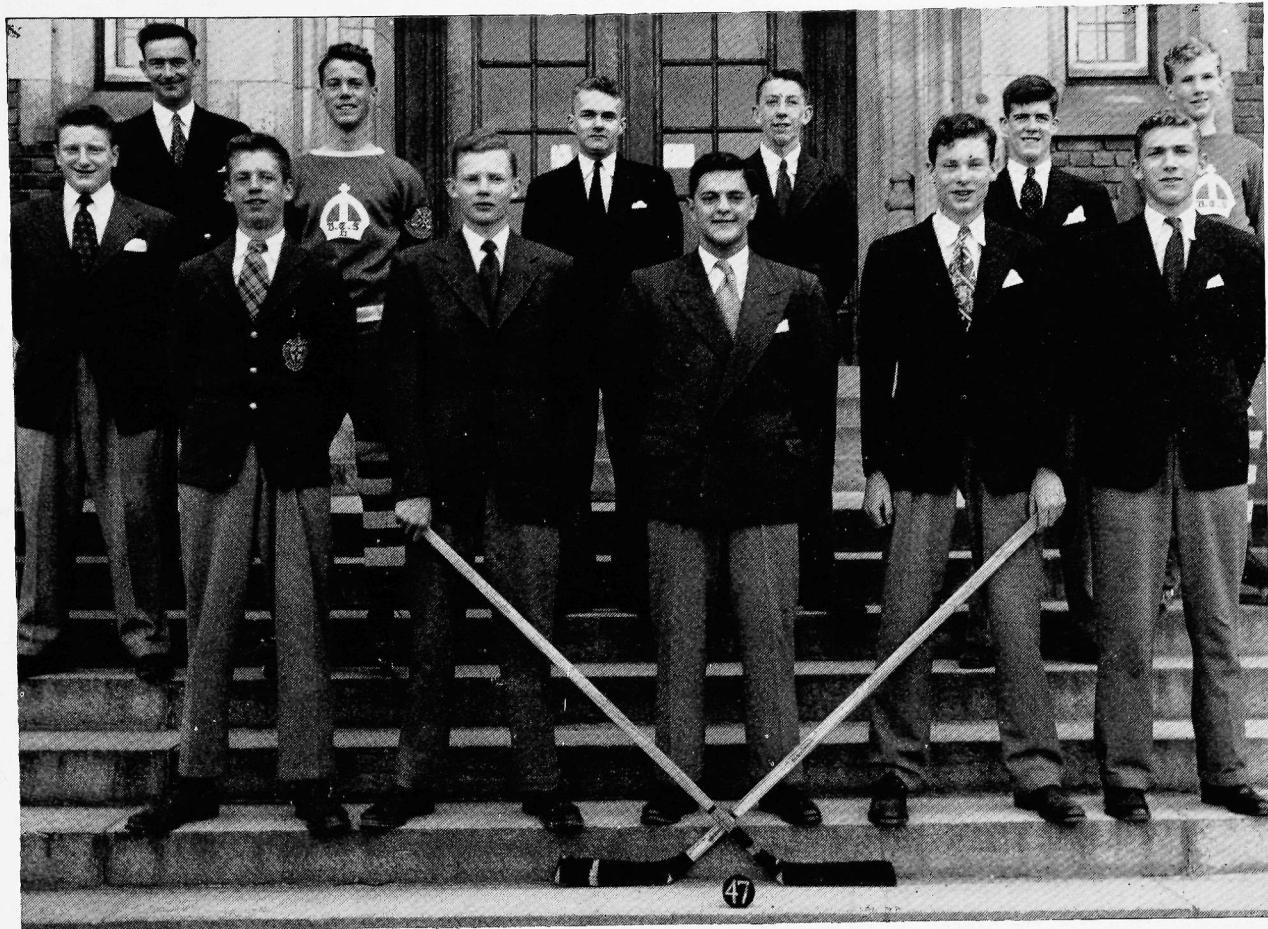

Rankin played at left wing, and contributed in no small measure to the scoring and backchecking of the team.

Scheib is not a fast skater but very strong, and was getting on to the tricks of scoring in the latter part of the season.

Bishop was the mainstay of the defense, with a decided talent for breaking up plays or smothering them. He cleared the puck quickly and to a logical place.

Spafford shared most of the defense time with Bishop. They played a heady game, both on defensive and offensive.

Hutchison was the regular goalie in the early part of the season, until Hogg, who had played goal before, got the feel of it back. Hogg played the last few games.

ORPHANS HOCKEY TEAM

Front Row:—D. HUGGETT; R. HOWARD; N. COURAY, (Captain); A. GORDON; H. HAMPSON.
Back Row:—V. SCHEIB; W. H. DOHENY, Esq., H. MACDOUGALL; R. MOLSON; J. SCHOLES; G. SHARWOOD; D. ASHWORTH.

Angus and Rogers were the secondary defense. Both played hard and improved steadily through the year.

Smith, Jekill and Goodridge were registered members of the Bantam team, but the league proved to be a bit fast and heavy for them. They had to be used sparingly in league games, but strove hard and willingly on crease.

Mackie and Tatistcheff were not registered Bantams, partly because their birth certificates were late in coming and partly because the team was already filled out to its limit. Tatistcheff had not skated before and learned very quickly. Mackie worked diligently in crease and improved steadily.

The team as a whole was decidedly better than average and if they lacked anything in hockey skill they certainly made up for it in spirit and enthusiasm. They preferred clean and fast hockey, but showed their ability to adapt style of play when the need arose, as in the case of St. Pat's.

drop of a stick with any teammate, were inspirational, while his play was as clean, as sound, as polished chromium plate. A veteran from 'way back on Prep hockey teams, he was a credit not only to himself but to his enthusiastic mentors. Congratulations, Captain!

SPERDAKOS, right defense. George's steady improvement made him a dependable all-game partner for Gilmour in the playoffs when no relief was available. He cleared well, usually to a waiting forward, or, if his receivers were covered, rushed very effectively, more and more so down the centre, with his eyes alert for a pass to the wing.

CRESSWELL, right defense. Like Gilmour, a second year colour; he missed the playoff games, but was effective both defensively and on the attack in the league schedule.

MACFARLANE, centre and vice-captain. Second year colours. Mac broke in, late, with the L.H.S. exhibition game, got the chippiness out of his system, and performed a hat trick. A marked player, he learned to feed his wings, and finished the season as a scorer, a play-maker and a forechecker of outstanding quality.

MCGEE, centre. Hudson sent us a heads-up ice general in this player. He controlled a penchant for roughish play extremely well in the playoffs, and spearheaded an attacking line which gave us the balance needed for a team of championship calibre.

COLLIER, left wing. Graduated from Orphans, 1946, to the Champions of 1947. Marty controlled a fiery

temper as the summary clearly shows, turned on his speed when needed, and strayed less and less from the wing as he grew in experience. His shot earned him his share of goals; his backchecking stopped a good many against us.

BIRD, left wing. Phil's resolution to learn when and where to shoot was not rewarded till the league playoff, when he got his first goal. Against even tougher checking, he got two more in the playdowns, and passed for three others. His backchecking left little to be desired. In the St. Hyacinthe game, he was really flying; had the season been prolonged, he'd have been very tough to hold.

ALMOND, right wing. Once Paul shortened his turn, he was a valuable defensive forward. An opportunist on the attack, he often scored unexpectedly, and back-handed a record number of passes to his linemates.

LAWRENCE II, right wing. Donnie was a converted left-handed centre, whose hard working persistence won him a solid spot on the starboard rail. His back-hand shot became harder and more accurate with experience and when a backchecker was needed, "Two" was invariably there with his cover, close and shackling.

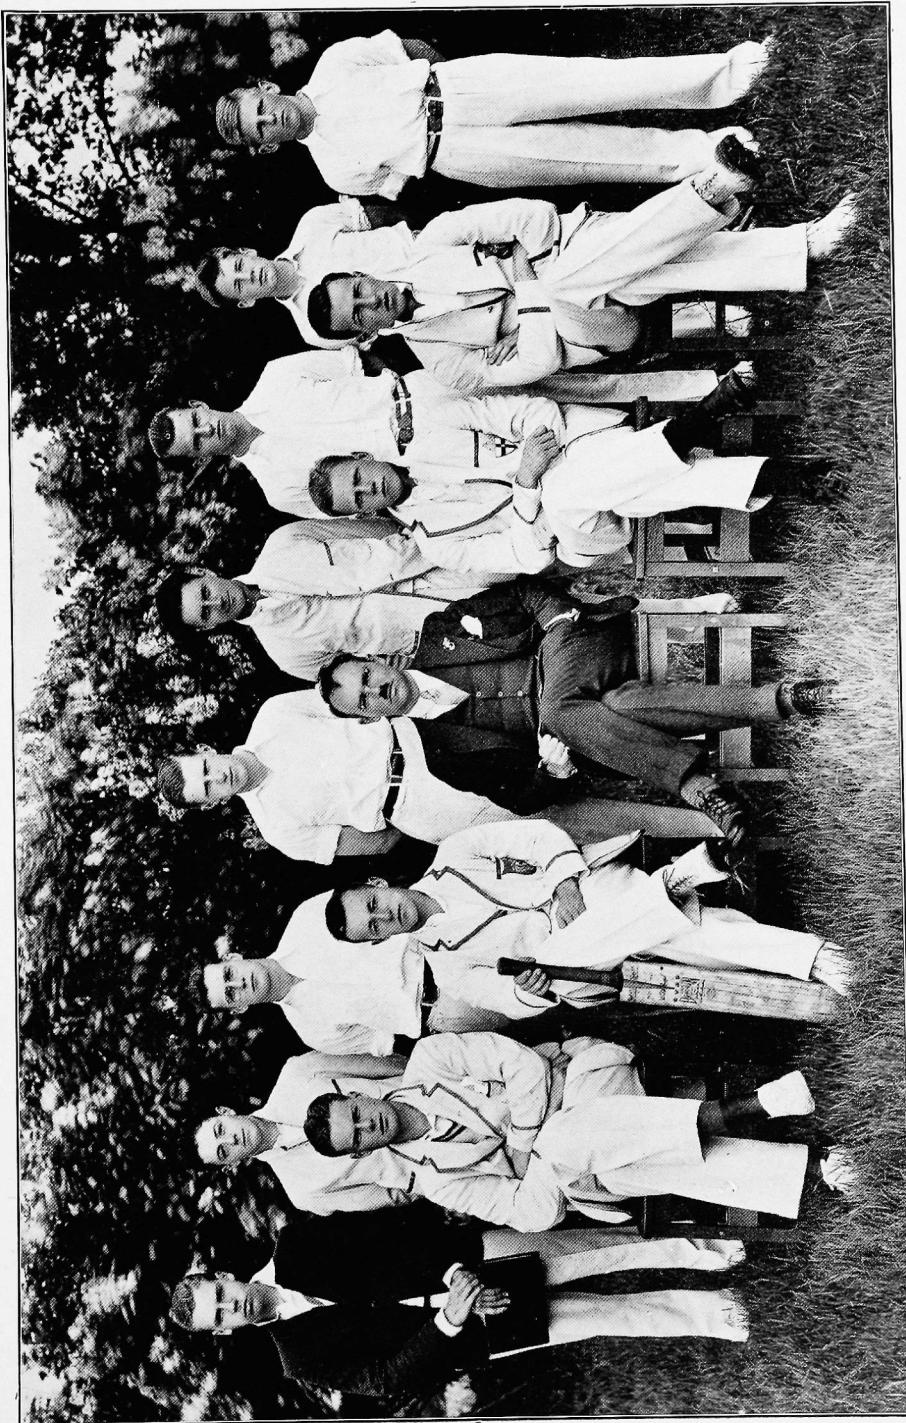

McCULLOCH, forward and defense. Not fast enough for a line berth, Ike played cagily in any position save goal, and acquitted himself well.

ASHWORTH, PRICE IV AND MACDOUGALL were utility men. Given an assignment at any forward spot, these subs came through effectively.

LAWRENCE I, goal. "One" played with the sang froid, not to mention the savoir faire of a veteran, in this his fourth year of Q.A.H.A. competition. Steady at all times, brilliant when the chips were down, John gave his team confidence that was always well justified. His display against Larocque, a team of snipers, was memorable, especially in the final twenty minutes of the game.

GARNEAU, goal. Our reserve goalie rates a bouquet. His appearances in the nets were infrequent only because our Number One was too steady to need relief, but were marked by an ability and a spirit that would have placed him on any other Midget team. His industry, good sportsmanship and class removed all worry about our goaling problem; we had none.

A record breaking year. We note that Major John Bassett made 4 boundaries for 4 each in successive shots against Ashbury.

The opening of the season was delayed by bad weather but some useful work was done in the way of indoor bat-swinging practices. Advantage was taken of any break in the rain and net practices took place at every available opportunity.

As last year, boys were divided into First Crease and the League. First Crease nets were held on Mondays, Tuesdays, Thursdays and Fridays. Wednesdays and Saturdays were devoted to trial games. In this way, a provisional XI was formed and on May 10th the team went off to Montreal to play the Wanderers, in the first match of the season.

B.C.S. vs WANDERERS, AT MONTREAL, 10TH MAY, 1947

The School won the toss and put the Wanderers in to bat. Ashworth, Rider and Pitfield bowled well and the whole XI fielded excellently to put this experienced club side out for 76 runs. B.C.S. hopes were high, but we just failed to reach their score. The most noticeable failing was hesitation in taking quick singles when the opportunity offered. If our batsmen had taken all their chances, the final result might well have been reversed.

B.C.S. vs PEDANTICS AT LENNOXVILLE, 15TH MAY, 1947

The School won the toss and batted first. Mr. Grier's tricky use of the new ball was rather disturbing for them and some of the earlier wickets fell very cheaply. Pitfield and Gordon made a stand of 40, however, and the School finished with the creditable total of 84. This proved to be too good for the Masters, the majority of whom found Rider's off ball unplayable. Mention should be made of Mr. Sullivan who, on his first attempt at cricket, made 5 not-out, the third highest score.

B.C.S. vs BISHOP'S UNIVERSITY, AT LENNOXVILLE, 17TH MAY, 1947

The School again won the toss and chose to bat first. With the exception of Sperdakos and Pitfield, our batsmen offered little opposition to the bowling of S. Day who finished with the remarkable average of 8 for 8. However, the School XI were very much on their toes during the University innings and managed to snatch

B.C.S. vs OLD BOYS, AT LENNOXVILLE, 24TH MAY, 1947

After rather a doubtful start, the day cleared and the match was begun at 10.30. An Old Boys' Team, led by Major Bassett of Sherbrooke, won the toss and batted first. After lunch, the School batted soundly to win by 36 runs, with a total of 91.

B.C.S. vs ASHBURY COLLEGE AT LENNOXVILLE,
31ST MAY, 1947

This was an all-day, two-innings match. Ashbury won the toss and went in to bat at 10 o'clock. They were not able to put up much opposition to our bowling and were all quickly out for a total of 13. The School then proceeded to make a total of 127 against only average bowling. As Ashbury were unable to make more than 24 in their second innings, B.C.S. won by an inning and 90 runs.

The Under Sixteen team began to take shape midway through the term. There were six veterans available from the Eleven which went to Ontario in 1946—Rider, Ashworth, Lawrence I, Lawrence II, Sperdakos, and Bird. Of these, Rider and Ashworth were needed for the First Eleven, and were therefore not included in any of the Under Sixteen matches. Lawrence I was appointed Captain, and proved himself worthy of the job by his attention to detail, by the smartness of the team in the field, and by his own excellent Captain's innings against Ashbury.

Three matches were played: one against Ashbury, one against the Prep, and one against the Pedantics. The first two were won easily (despite a capable bowling performance by the Prep) but the batting of Mr. Page and Mr. Farthing assured a victory for the Pedantics on the King's birthday.

Back Row:—G. MILLER; B. TATISTCHEFF; S. ANGUS; K. PATTERSON; C. PEIRCE; V. ROGERS.

Front Row:—P. WINDSOR; A. ABBOTT; P. WINKWORTH, (Captain); C. G. M. GRIER, Esq., (Headmaster); H. S. DALTON, Esq.; G. SHARWOOD; R. STUART.

In spite of the bad weather, the batting of the side improved visibly in the course of the season.

Sharwood won the prize for the batting average and deserved it. He drives well on the off and watches the ball carefully. His leg shots are not so good, because of his eagerness to hit the ball out of the field, and because his foot-work is not correct. If he is to make progress in school cricket, he will have to overcome this fault as well as a tendency to poke at the off-balls in the first over. Lawrence I missed the leg balls because his left hand is held too low. Against Ashbury he drove extremely well on the off and he has a nice defensive forward stroke. Much the same remarks may be applied to his brother. Sperdakos is a hitter and we shall be content if he does not lose sight of this fact. Bird was a bit casual about trial matches, and his batting suffered as a result. He needs to develop his defence. Price IV and Ross II, both of them beginners, made excellent progress, and will be heard of in the future, as they will practice "bat-swinging" between seasons. Mackie was the most stylish batsman on the team, but was handicapped by having to use a full-size bat. He has good shots all round the wicket and hits the ball hard. Bishop plays a very steady bat and punishes the leg balls, but is always weak on the off until he gets set. He has no forward cut, and the position of his bat in the off-drive is incorrect, owing to the way he brings it down from the "ready" position. Bat-swinging should correct

this. Davis knows the strokes but always makes an explosive swing at the first straight ball in an attempt to pull it to leg and has, as a result, scored no runs for his side. Salter is a hard hitter but should try to correct his faults of position.

Willcox and Mackie lived up to expectations as bowlers. Each kept a beautiful length in every match and both will take many wickets in the future. Lawrence I, Ross II and Bird were useful change bowlers. Price IV kept wickets in good style.

Patterson and Garneau, who were both on the edge of the team, worked conscientiously and well throughout the season. By next year Garneau will have overcome his tendency to swing across the ball and Patterson his habit of dancing a jig instead of placing his feet in the proper position to hit.

Skiing

FIRST SKI TEAM
WINNERS OF SENIOR INTERSCHOLASTIC TROPHY

Back Row:—R. L. EVANS, Esq., A. CORLETT; D. FAERMAN; M. BALLANTYNE.

Front Row:—D. BROWN; D. CREIGHTON, (Whitall Cup); V. BENNETT, (Captain); D. CAMPBELL; H. BURLAND.

SKI TEAM NOTES

The Ski Team this year had a couple of fine breaks in the way of trips. The season opened with the team going up to The Seigniory Club on February the second to race for the first time in the interscholastic meet. A five man team was entered: Bennett (Captain), Creighton, Campbell, Burland I, and Brown. The cross country was run off Saturday afternoon while the downhill and slalom were run off on Sunday. Although this was our first time in this meet we managed to come seventh out of eleven schools, beating both L.C.C. and Ashbury.

The next week-end, February the ninth, we raced at North Hatley in the Eastern Townships Interscholastic. In this race two teams were entered, a junior and a senior. The senior team consisted of, Bennett (Captain), Ballantyne I, Faerman, Corlett and Vass, while the junior team consisted of, Burland II, Fuller (Captain), Willis, Courey II, and Hugessen. Fuller won the junior slalom while Willis came second in the junior cross country, but the team failed to bring back the junior team trophy. As for the seniors, Bennett won the senior slalom, while Vass came second in the senior cross country, helping to give B.C.S. the highest team total to win the senior team trophy. Also four men were entered in the Eastern Townships Junior Championship. They were, Creighton, Campbell, Burland and Brown. Creighton came first in the cross country while Campbell came first in the slalom. In the downhill Burland I came first and Creighton and Campbell tied for second place. When all the day's points were counted Campbell had won by a very small margin over Creighton.

The L.C.C.—Bishop's meet was held the following week-end. The cross country was held on the school course and was won by Staniforth of L.C.C. while Bennett came second and Creighton came third. The downhill followed in the afternoon over at Hillcrest and was won by Staniforth of L.C.C. Creighton came second and Campbell came fourth. In the slalom, which Staniforth also won, Brown came third and Ballantyne I and Campbell tied for seventh position. Staniforth also beat the cross country record over that course by about two minutes. At the end of the meet L.C.C. had won by eight points, thus keeping the Cochand Cup for another year.

D. G. C.

The next day a four man team went on a cross country relay from Sherbrooke to North Hatley. Creighton came in first, winning the race for B.C.S., but the whole race was annulled.

February fifteenth found the ski team down in New Hampshire to race against Holderness School at Plymouth. Saturday morning we went over to their downhill for a practice run before the race. After dinner the racing began. The downhill was first in which Bennett came fourth, followed by Creighton, and Burland was sixth. The slalom was next and Creighton came third and Burland came eighth. The cross country followed, and was won by Armstrong of Holderness. Campbell came fourth followed by Creighton in fifth position, while Burland came eighth. When all the points were totalled up Holderness had won, followed by Proctor Academy, and B.C.S. was in third position.

On March second Holderness and Ashbury came out to B.C.S. but all the racing was done at Hillcrest. After the beating we suffered down in New Hampshire we were determined to do better this time. In the morning the downhill was run off, which was won by Creighton while Armstrong of Holderness came second and Price I of Ashbury came third. The slalom followed with Lind of Holderness coming first. Creighton came third, Ballantyne I came fifth and Campbell in seventh position followed by Bennett, eighth. The cross country was run off in the afternoon which was also won by Armstrong of Holderness, with Creighton second, Corlett third, Campbell fourth and Brown fifth. At the end of the day B.C.S. had made up for their loss down at Holderness and won the meet. Holderness was second and Ashbury was third.

We are grateful to Mr. H. Dalton for his interest and help with the lower ski creases this winter, and to Bennett, Carman and Campbell for their help with the coaching of the Prep skiers.

Great credit should go to Vic Bennett, Captain of the First Team, for the work he did in coaching, organizing trips to Hillcrest, managing ski business of one sort and another, and instilling some of his own boundless enthusiasm into skiers on all teams and creases. Largely thanks to him the past season was the most active we have had so far.

Track Notes 1947

The enrollment is twenty-three. The weather has been far from satisfactory again this year, which, coupled with the usual rush to form a School team for the Eastern Townships Track Meet, has left Track Crease a bit neglected. However, now that the Meet is over, it is to be hoped that something interesting may be done with the crease before preliminaries for Sports Day crowd it again into the background.

In the past two years an effort has been made to divide the crease into small evenly matched teams to compete with one another in a series of track and field events, Weather, Track Meet Trials, Sports Day trials and Cadet Corps have made it impossible to carry any such plan through satisfactorily. It was thought that this year, with Cadet Inspection out of the way, we might succeed, but the weather damped our hopes.

Despite weather forecasts and prospects in general, we had a fine day for the Eastern Townships Track Meet on May 24th. The track on the Parade Grounds in Sherbrooke was in good shape, and the Meet was run off quite smoothly.

Bishop's again had a strong entry, but this time slipped back to third place. Our total aggregate was 65.8 to Lennoxville's 77.6 and Stanstead's 68.5. The other eleven schools ranged from the twenties down.

Pitfield, Track Captain, lead the Senior team with fourteen points, winning a first in high jump, and seconds in the 100, 220, and broad jump. Vass placed second in shot and Creighton second in discus. Bignell placed third in pole vault and in shot. Jones was third in Broad jump and W. Scholes third in discus. Turpin and four other high jumpers divided the points for second and third between them. The Senior relay team, consisting of Jones, Bignell, Magor and Turpin placed second. The total number of points for the Senior team was 27.8.

Stearns was unquestionably the winner of the Sherbrooke General Sports Commission Trophy for the athlete with the highest individual number of points for the day. He amassed a total of nineteen points, which is in itself a record. Stearns established new records in the Intermediate 100-yd. dash, the 440-yd. dash and

the discus throw. In addition to this, Stearns was second in shot put, third in broad jump, anchored the winning Intermediate relay team, and ran the first lap in the mile relay, and was only slightly the worse for wear at the end of the day.

Others who gained points in the Intermediate team were:—Collier, who placed third in the 220 and ran in the relay, Corlett who placed third in the 880, and Macfarlane and R. R. McMaster, both of whom ran in the winning relay team. Other Intermediate entries were J. Price, Phillips, Lechevalier, Garneau and J. Ross. The total number of points gained by the Intermediates was twenty-six.

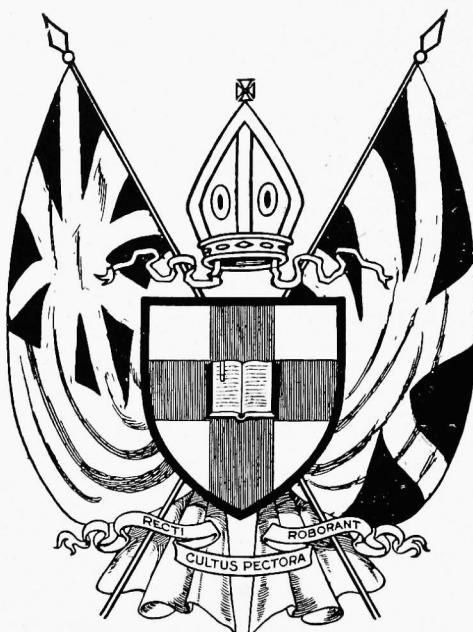

In the Junior events, Bird gained five points, with a second in the 220 and thirds in the 75 and shot put. Rankin was third in the 220. The Junior 440 relay team of Bird, D. Price, Giles and Rankin, won by forty yards and came very near to breaking the existing record held by B.C.S. The Juniors gained a total of eleven points. Bishop was the only other entry in this age group.

Illness cut the Midget team down to two entries—Williams in the 50-yd dash and Badger in the broad jump. The competition proved too stiff for them.

In the Open events we gained only one point, against Stanstead's eighteen, which accounts for their getting ahead of us in the aggregate total. Our mile relay team—Stearns, Bignell, Magor and Collier—placed third.

Perhaps in another year, when there is more time for training and practice, we may win the Skinner Trophy back again. We held it for the first three years of its existence, but lost it to Stanstead last year and to Lennoxville High this year. I think part of the reason for our steady decline is that there are fewer turning out for trials each year, with the result that those who represent the School on the day of the Meet are often very much overworked. Bird, Collier and Stearns were each called ten times in the course of the day, and Pitfield eight. This called for almost superhuman effort on their part, and their spirit and willingness is deserving of the highest praise.

G. W. B.

CADET CORPS NOTES

The Corps this year has a strength of 127 boys consisting of 89 Cadets and 38 Recruits.

Officers: Cadet Major R. H. Pitfield
Cadet Capt. R. T. Carman
Cadet Lieut. F. F. Rider
Cadet Lieut. J. A. Skelton
Cadet Lieut. H. L. Walls

Warrant Officers: Cadet C.S.M. V. R. Bennett
Cadet Q.M.S. G. B. Seager
Cadet Drum Major C. A. Gordon

ANNUAL INSPECTION

The annual inspection of No. 2 Bishop's College School Cadet Corps was held in the School Gymnasium on Saturday, 19th April 1947, at 1100 hours.

The Inspecting Officers were Major J. P. Gosselin, G.S.O. 2, Quebec Command, and Captain P. Loranger, M.C., Cadet Training Officer, Quebec Command. Others in the inspecting party were Colonel C. G. M. Grier, E.D., Headmaster, and Captain W. Doheny, representing the Black Watch, R.H. of C., parent regiment of the corps.

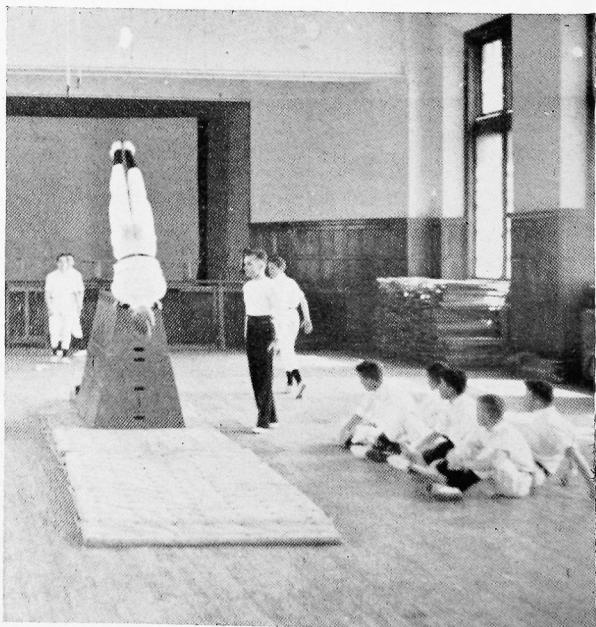

The Earl Gray Trophy was presented to the Cadet Corps as the most efficient corps in that province having the highest percentage of cadets in proportion to school population for the year 1945-46. The trophy was presented by Major Gosselin and was received by Cadet Major R. H. Pitfield, Montreal, Officer Commanding the Corps.

The inspection included a General Salute, march past in column of platoons, march past in column of route, advance in review order and Platoon Drill.

Highlights of the inspection were demonstrations by the Bren Gun Squad, Guard Mount Platoon, Tumbling Squad, and P.T. Squad.

After the inspection the Cadet Corps formed a hollow-square for remarks by the Inspecting Officer. He complimented the corps for its steadiness on parade and the smartness with which it executed various drill movements. Cadet Major Pitfield led the corps in enthusiastic cheers for the Inspecting Officer.

G. B. S.

BOXWORK DURING CADET INSPECTION

RIFLE SHOOTING

Range practice was carried out almost every evening of the school year and the result is shown in the summary of the year's shooting.

Four teams were entered in the D.C.R.A. Competition and scored 93.25, 88.94, 86.22 and 82.69 respectively, a decided improvement over 1946.

In the Royal Military College Club Competition the scores of the two teams entered were 94.1 and 89.4.

In the Annual Classification, which every cadet fired, the results were very gratifying with twenty one cadets qualifying as "Snipers" and thirty as "Experts".

The Best Shot in the Corps was Cadet R. K. Price who scored 432 out of a possible 460 for an average of 93.91% for the three competitions. Cadet Price was closely followed by Cadet Corporal R. A. Williams who scored 431 for an average of 93.69%.

Gymnasium Competition

WINNING GYMNASTIC TEAM — 1947

Back Row:—R. MACKIE; C. RANKIN; D. P. M. ALMOND; C. P. BIRD; G. Y. WILLCOX.
Front Row:—J. T. PRICE; H. R. BURLAND, (Captain); G. L. SULLIVAN, Esq.; G. SPERDAKOS; R. COHEN.

Five ten-man teams of greatly improved gymnasts put on a most praiseworthy display in the annual gym competition, held on May 17th.

Team honours and the Geoffrey Hess Memorial Trophy went to No. 2 squad, captained by Burland I, with Cohen, Sperdakos, Almond, Price III, Bird, Rankin, Jamieson, Willcox and Mackie.

Individual leader and winner of the Captain C. S. Martin Memorial Cup was LeChevalier, who took the Ross Cup in 1946, and whose No. 3 team trailed the group winners by only 21 points. LeChevalier displayed remarkable form and versatility as he dropped a mere eight points out of a possible 280 on the five sets of apparatus—high bar, parallel bars, mats, box horse and climbing rope. Windsor and Burland I gave him a very close race for individual honours by scoring 265 and 261 points respectively.

Garneau won the Ross Cup for greatest improvement among the New Boys with $224\frac{1}{2}$ points out of 250 possible. McCulloch II, runner-up in the contest, posted $219\frac{1}{2}$ points.

MARTIN CUP GYM CHAMPIONSHIP

Chapman's House

1946-47

Recently there has been placed in the peace and quiet of Chapman's House a novel addition—an accordion.

By the peace and quiet of Chapman's House we mean Peter's barking, the cooing of the pigeons, and nineteen stalwart boys governed by four head-boys and two prefects, one of which marches around with a sword every Saturday morning, while the other plays his sharps and flats for the daily prayers.

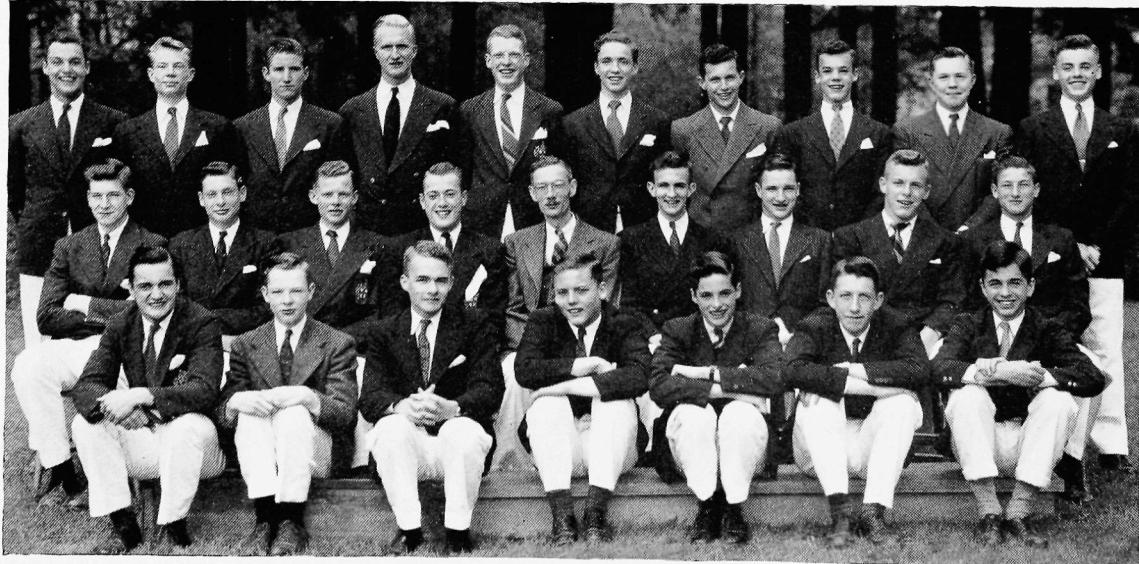

Usually the house consists of senior boys in the fifth form, but this year, due to the crowding of the School, we find there all sorts and conditions of men. Some are in the fifth, others in the sixth, and even a few in seventh. We started off the year by having a prefect and a head-boy on each of the two flats; later, however, Johnny Gray and Dave Brown distinguished themselves, and thus the upper flat is now blessed with two more head-boys than the lower. At the beginning of the Lent Term Buzz Burland was promoted, and after a great

deal of moving around and disorganization, he left for the school, reducing our ranks to twenty five.

Of these twenty-five, four are members of the first football team, two of first hockey team, two of the ski team, and three are likely to be chosen for this year's first cricket eleven. We have members of many other junior teams, such as the illustrious "Midgets" and are blessed with skiers, runners and students! Speaking of running, through persuasion, the house again won the cross-country shield, not breaking the precedent set by those of past years. We are overflowing with golf and tennis fans and the common clichés of B.C.S. language are apparent as well.

All who have contributed support to the house, whether physical or moral, wish to thank Mr. and Mrs. Moffat most sincerely for their kindness throughout the year.

DEBATING SOCIETY

1879

OFFICERS FOR 1946-1947

Chairman	R. L. YOUNG	Chief Secretary	H. A. HAMPSON
President	V. R. BENNETT	Under Secretary	R. McMASTER I
Treasurer	A. C. ABBOTT	M. O. C.	N. GOODRIDGE I

PRIZE WINNERS

Grant Hall Medal	A. C. ABBOTT (Attended all Debates)
Chairman's Medal	R. R. McMASTER (Missed 1 Debate)
Society's Medal	H. A. HAMPSON (Missed 2 Debates)
	V. R. BENNETT, N. GOODRIDGE, R. HOWARD

A FEW OF THE DEBATES

"A Union of the United States and the British Empire is desirable"

"That Canada should join the United States"

"University education is over emphasized"

"There will be a slump in Canadian prosperity without immigration"

"That mankind is heading for destruction at its own hands"

"The Peace is lost"

"The Freedom of the Press should be curtailed"

"The Pen is mighter than the Sword"

We sympathise with McMaster who had hard luck in getting laryngitis a week before the Rotary Club Oratory Contest, and admire the sporting spirit of Hampson who stepped into the breach at such short notice. The Society warmly congratulates him on his success.

(He DRIFTED into Sherbrooke at the very last moment due to a breakdown)

We take the following from the "Montreal Star":

Earl Pennington, of Strathcona Academy, won the gold medal of the Rotary Club of Montreal in their 7th annual public speaking contest.

Selected after a contest with 17 other students of Strathcona to enter the preliminary tests, he won the preliminary round at Westmount Rotary Club, and was one of the four semi-finalists selected at the Montreal-Westward Rotary Club to compete in the finals at the Mount Royal Hotel. He chose as his subject "That Happy Breed" which paid high tribute to the English people, their indomitable courage in maintaining freedom all through the centuries, and particularly their exploits in the World Wars—a race seldom understood, he said,

but one that had done more to benefit mankind than any other race.

The silver medal was awarded to Warren Woodworth, of Quebec High School, whose subject was "Faith in World Peace." Woodworth won the gold medal last year, but faltered in his delivery today and lost points. Harold Hampson, of Bishop's College School, Lennoxville, who spoke excellently on "Opportunity For Canadian Youth" and stressed the importance of the elder Canadians to make available positions in the professional and technical fields for them; and Charles Solomon, of Montreal High School, whose subject was "A Creed For Modern Youth,"—last year's bronze medal winner, tied for third place and each received a medal.

The judges were Claude Richardson K.C., W. J. Sheridan, and J. C. Bonar, and the medal presentations were made by C. M. Hodgdon, president of the club. The contest was directed by Roland Gomery, who stated that 3,000 students were listening in to the broadcast of the speeches, which would be recorded and sent around to public speaking classes in the high schools of the province.

G. E. Janner, who won the Chairman's Medal in 1944, is Editor of "THE DEBATER", St. Paul's School, London, England.

The Society warmly congratulates Setlakwe, our last year's President, one of the Eastern Canadian champions who defeated McGill and Loyola in the Inter-University debates and entitled them to contest the Beatty Cup for the Dominion championship in Ottawa, which was the best record since two Grant Hall Medalists, John Bassett and Ogden Glass, brought the Debating Trophy to the College for the first time.

The French Club

At the commencement of the year six boys met for the first meeting. It was decided that meetings be held at Mr. Hall's residence on Saturday evenings.

There were three new members including G. Willcox, M. Lucas, and J. Tremain. B. Seager, P. Windsor, and R. Molson were the only former members to return to the club. During the first term meetings were held regularly.

Molson dropped out at the end of the Michaelmas Term to take charge of another of the school clubs.

The club met only twice during the second term, but nevertheless the remaining five got into full swing at the start of the Trinity Term.

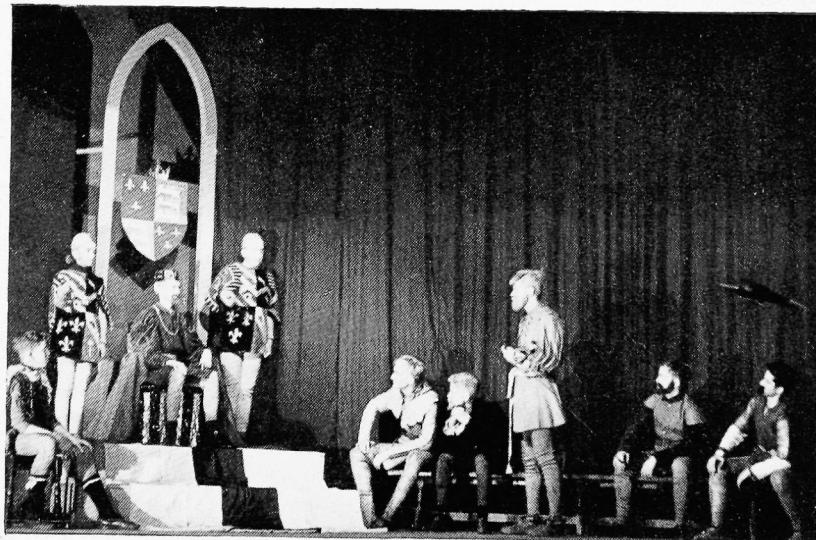

During the course of the year the following games were among those played:—Vingt questions, Les mots complets, Les lettres melangeés, J'ai mis dans la malle de ma grand'mere . . . , Petits mots des grands mots. We also had stories read to us, conversations on flowers and pictures, the singing of songs, and memory tests based on words learned during the year.

During the course of the year all members have improved in pronunciation and vocabulary.

We are indebted to both Mr. and Mrs. Hall for their hospitality to us and we take this opportunity to thank them heartily.

J. T.

The Players' Club

The Players' Club, meeting early in Michaelmas Term, elected to try Shakespeare's "Henry IV, Part 1". The production was entered upon with a full realization of the difficulties presented, and by cutting out all the female roles but that of Mistress Quickly the play was brought within the limits of school casting.

To Bill Boswell, who promised well in a one-act play last year and starred as the Major-General in "The Pirates", goes much credit for the high standard of his performance. Not only did he play the King with dignity and power, but the example he set as a 'quick study', and the tempo and diction of his work, gave a lead to the whole cast, and other actors caught something of his poise and confidence.

John Turpin as the warlike Hotspur and Norman Solomon as the playboy Prince Hal made a fine contrast of character. The former's strong delivery helped to convince the audience that here was no trifling with Shakespeare, and Solomon's volatile Prince of the early

acts changed effectively to give promise in Act IV of the King to be.

Paul Almond was faced with the difficult characterization of Falstaff. While he had trouble maintaining power and depth of voice, he carried his heavy role—and stomach—well, and did not let his humorous bits impede or distract from the main progress of the play.

Of the large cast, Don Faerman as Worcester, Ernest LeMessurier as Poins, John Ross as Douglas, John Lawrence as Blunt and Don Lawrence as Vernon, and Ted Phillips as Mistress Quickly, gave outstanding performances and indicated the ability to handle star parts in future presentations. They were well supported by many others with smaller parts.

Tom Price, Stage Manager, Tom Cresswell, Electrician, and Haskell Burland as organizer of 'noises off' handled their crews well and staged the play with no apparent mistakes.

The settings used were of the simplest, and efforts

were made to get depth into the scenes by means of the cyclorama. There is an increasingly apparent need for dimmers, for with them far more satisfactory lighting effects could be obtained.

Next year? At present the feeling is that the Club should do a worth-while modern play, to be performed just before the Christmas holidays.

FREDERICK (ANTHONY ABBOTT) AND MABEL,
(MICHAEL McCULLOCH.)

MAJOR-GENERAL STANLEY (WILLIAM BOSWELL OF MONTREAL)
AND HIS PROBLEM DAUGHTER, MABEL.

The Camera Club

Early in February Mr. Lewis, who is a student at the university, ordered a large amount of equipment for the Club. No members were admitted until supplies arrived.

When we returned in April it was decided to open the Club for membership. Only twelve of the twenty odd boys who wished to join could be admitted, due to the lack of space.

J. Tremain was voted President with I. Jamieson as Secretary-Treasurer. Other members included: T. Abbott, M. Wall, D. Faerman, D. Campbell, J. Calder, R. Stewart, R. Cohen, V. Scheib and Hugessen.

Late in April the paper and chemicals arrived and for the first time in four years the Photography Club got

into full swing, in spite of certain shortages. The members not only do their own work, but enlargements up to 8 x 10 are done as well as printing of all size films of outside work.

There is an Argus A2, an Argus Reflex, 2 Kodak Bantams and a Kodak Vigilant among the cameras in the Club belonging to the members.

Although the Club has only been in progress for a very short time, at the time of writing most of the members showed great improvement. Well, that winds up the Club for this year. I hope that next year the members will be as enthusiastic and co-operative as they were this year.

J. T.

The Preparatory School of Bishops College School

LENNOXVILLE

The Choir Sings at St. Peter's Church, Sherbrooke.

On March 9th, the choir went to Sherbrooke to sing at St. Peter's Church. Mr. Whitlow took the service, and the Ven. Archdeacon Jones of Lennoxville preached. The service was broadcast over station CKTS, but due to the microphones being wrongly placed, the broadcast was not as good as it might have been. The rest of the school, who did not go to Sherbrooke, came over to the Prep and heard the service over the radio. The boys from the Prep who sang in the choir were: Berlyn, Price V, Setlakwe, Stewart-Patterson, Mather, Whitehead, Cantlie, Chapman, Findlay, Grier, Hartt, Hobart, McConnell, Ogilvie.

V. M. WHITEHEAD

The Church Parade to St. Georges, Lennoxville

On May 25th, the B.C.S. Cadet Corps, with a squad of boys from the Prep, paraded to St. George's Church in Lennoxville. On arriving at the church the boys in the choir broke off and changed into their cassocks and surplices, while the other boys took their places in the church. Being Whitsunday the service was a Choral Communion Service. Mr. Whitlow took the service, and Archdeacon Jones of St. Georges preached. After the service there was a march past before the town hall, which was very well done. The cadets then paraded back to the School and were dismissed.

D. TURNBULL

CADET INSPECTION

The annual cadet inspection was held this year in the gym instead of on the campus as in previous years. Due to the restricted area of the gym the usual Prep squad did not take part in the inspection, but the Prep was represented in the gym display by Badger, who did a very fine job indeed, and we all wish to congratulate him on his excellent work. The only boys permitted to watch the inspection were the ten who took part in the Prep gym competition.

D. TURNBULL

GYM COMPETITION

The annual gym competition held this year was a great success. Only the ten boys with the highest marks in the preceding term's work were entered. They did various exercises on the mats, box horse, climbing rope, high bar, and the low parallels, and in all these did some very good work. The final results placed the boys in the following order: Badger, Cohen, Setlakwe, Mather, Downs, Stewart-Patterson and Bonthon (tied), Turnbull II, Findlay, and Vaughan. The first five of these received gym crests and were given places on the gym team. We hope that those who were in the competition, but who failed to make the team, will have better luck next year.

R. RILEY

THE PREPARATORY SCHOOL HOCKEY TEAM 1947

Back Row:—W. A. PAGE, Esq.; C. STEWART-PATTERSON; P. R. POPHAM; R. M. HARTT; J. L. WILLIAMS; J. C. FARTHING, Esq.
Front Row:—D. H. MARTIN; R. W. BERLYN; R. SETLAKWE; R. T. RILEY, (Captain); W. W. BADGER; L. A. M. MATHER; G. P. PORTER.

HOCKEY

The School was divided into the usual three creases for hockey. Second and third creases practised two mornings a week on the outdoor rink, and first crease two mornings a week on the indoor rink. Due to the very mild winter, however, it was often impossible to practise so often.

The first team won its annual game against Selwyn House by a score of 4-3. Selwyn House scored twice before we scored at all, but we managed to score four goals before they scored again just before the end of the game.

In the local Bantam league we were not so successful. The Upper Bantams were much too strong for us, and, although we should have won one game each from both St. Pat's and Lennoxville High, we lost all four games to these two teams. Sherbrooke Y.M.C.A. however, we were able to defeat quite easily by scores of 7-3 and 14-0.

Of two exhibition games against a weaker Upper Bantam team, we lost the first by 4-0, but won the second, 7-1. This was the best hockey the team played all season, and if we had played as well in earlier games our record would have been very different.

The second team played two games against Lennoxville High, tieing the first by a score of 1-1, and losing the second by a score of 4-2.

The teams were as follows:

First Team: Goal, Martin; Defense, Riley (Capt.) and Popham; 1st line, Porter, Setlakwe, Mather; 2nd

line, Berlyn, Badger, and Williams. Spares, Stewart-Patterson and Hartt.

Second Team; Goal, McConnell; Defense, Whitehead and Chapman; 1st line, Grier, Turnbull I, Price; 2nd line, Turnbull II, Downs, Vaughan. Spares, Ogilvie.

The first team games and scores were as follows:

Prep. 1	Lennoxville	7
Prep. 1	St. Pat's	2
Prep. 7	Y.M.C.A.	3
Prep. 0	Upper	10
Prep. 1	St. Pat's	7
Prep. 0	Upper	4
Prep. 0	Lennoxville	4
Prep. 6	Upper	1
Prep. 14	Y.M.C.A.	0
Prep. 4	Selwyn House	3

C. McCONNELL AND
C. STEWART-PATTERSON.

BOXING

The Prep Boxing Competition was held on Friday, May 16th, and produced a number of hard fought and exciting bouts. It was divided into five weights, as follows: Paper, from 60 to 70 lbs.; Feather, from 70 to 80; Fly, from 80 to 90; Light, from 90 to 100; and Heavy, over 100 lbs. Porter won the Heavyweight and, when no one else challenged him, was given the Stoker Cup as Champion of the Prep.

The first fight was between Parker and Cantlie for the Paperweight championship. Cantlie was the more

stylish boxer of the two, but Parker got in more hits and won the fight.

The Featherweight class was won by Cohen after beating Martin, Findlay, Smith, and Stewart-Patterson, who all put up staunch fights against him, especially Stewart-Patterson in the final championship bout.

After a close fight with Goodridge III, Williams won the Flyweight class by defeating Ogilvie in the finals.

The Lightweight class provided the most exciting fights of the competition. Berlyn and McConnell, after winning previous fights, fought against Setlakwe for the championship of the weight. Berlyn put up a very fine fight against him, but Setlakwe had the advantage and won the decision. McConnell also put up a very fine fight, the harder he was hit the harder he came back, but Setlakwe beat him also and so won his weight.

In the Heavyweight class Porter beat Hartt, although the latter gave him a good fight. He then defeated Turnbull I and Popham to win the Heavyweight championship. As nobody else challenged him he was awarded the Stoker Cup.

A. MATHER AND T. PARKER

BOXING FINALS, MAY 3.

School titlists in nine weights were declared on Saturday morning, May 3, as the pick of 88 entrants squared off for the vital three-rounders. A brief summary of the title bouts follows.

ATOMWEIGHT

Miller, at 88 lbs., faced Fuller, a pound lighter, in the initial scrap. Miller, with amazing ambidexterity, rushed the fight to his worthy adversary, forcing Fuller to cover up and hit on the breakaway. This was the story for all three rounds, though Fuller was very much in the running, all the way. Miller's fight, by a sound margin.

PAPERWEIGHT

Mackie, 90 lbs., vs Hogg, 98 lbs. With a repertoire that included two effective hands, excellent footwork, and business-like execution, Mackie gave a display that brought down the house. Hogg, no mean boxer, was hard put to cope with the most capable paperweight that we have seen in some moons, and Mackie won a well-earned decision.

FLYWEIGHT

Willcox, 101, vs Patterson, 100. Patterson took last year's atom title with a real show of skill and courage, and, two weights heavier, he carried the same equipment with him into the final this time. Willcox had height and reach on him, and used a punching left to good advantage every time that the opportunity afforded itself. Willcox was the winner of a good fight.

BANTAMWEIGHT

Giles, 114, vs Lawrence I, 115½. Lawrence used a skilful and pesky left to keep Giles away, but the Cornwall Flyer had the faculty of closing with such fury that he registered points heavily in the first round. From then on, he forgot his left, apparently, and worked a vicious right overtime. Lawrence forced the fighting time and time again, but had no adequate defense for Giles' lightning counter-attacks. Giles' bout.

FEATHERWEIGHT

Lawrence II, 120, vs Ross II, 124½. "Two's" defense was nearly perfect in the first round of this pretty scrap, and meanwhile, he scored neatly with a series of lefts to the head and body. Ross forced the pace as the second round opened, and body-belted Lawrence with lefts as the latter reformed his campaign of attack. "Two" countered as the round ended with a right handed attack that earned him an even break on the round, then outfooted and punched his man to win the decision in the third.

LIGHTWEIGHT

Hartt, 129½, vs LeChevalier, 128. Without the smooth footwork of his opponent, Hartt's plan was to let the attack come, and to score shrewdly on both the flow and ebb. This bout produced some lively exchanges and hard hitting, but Hartt's studied counter-punching won him the decision.

WELTERWEIGHT

Abbott, 142½, vs Bird, 139. Abbott fought his usual rushing, hammering fight, ringing lefts and rights to Bird's head with such authority that he won in the first round when his opponent was visibly beaten.

MIDDLEWEIGHT

Scholes I, 148, vs Sperdakos, 150. This bout brought together a ringwise craftsman and a courageous, if less skilled boxer. Bill flicked a snaking left into Sperdakos' face every time that the latter tried to close, and, when George got inside the portside buffer, crossed sharply with his right to the body. For two rounds, Sperdakos, by the determination of his attack, kept close on points, but Scholes was the master in the third, as he scored repeatedly with lefts to the head, while taking virtually no punishment himself. Scholes a worthy winner.

LIGHT-HEAVYWEIGHT

McMaster I, 164½, vs Burland I, 165½. Wild swinging opened this bout. Burland threw them from a crouch; McMaster, from an upright stance, but both missed often. Burland, in the middle round, found the range more frequently, but tired faster than his rival in the final, which he opened with a series of rights to the body. McMaster forced the issue as his man faded, and had Burland in bad shape at the end. McMaster was the winner.

THE PREPARATORY SCHOOL SKI TEAM 1947

Left to Right: -V. M. WHITEHEAD; R. SETLAKWE; J. BONTHON; C. STEWART-PATTERSON (Captain); R. W. BERLYN; V. BENNETT, Esq.; L. A. M. MATHER; W. DOHENY, Esq.; J. WILLIAMS; P. R. POPHAM; D. H. MARTIN; G. P. PORTER.

SKIING

We have had a very successful year of skiing this winter under the direction of Mr. Doheny and various members of the Upper School ski team, and a great deal of improvement has been made. Most of our lessons have been taken at the practice hill, where we learned the various fundamentals of the christiana.

The first race of the year for the ski team was, as usual, the cross-country, which was won by P. Popham, who ran the mile long course in 11.45 minutes.

The trip to North Hatley contributed much to the success of the year and was greatly enjoyed by all. The downhill was held in the morning under the direction of Bennett and Ballantyne from the Upper School. P. Porter placed first, running the course in 30.6 seconds. After an excellent lunch at the Pleasant View Inn we ran the slalom. C. Stewart-Patterson placed first with a time of 32.2 seconds. The slalom finished, we skied back to the Inn and waited for the bus.

The following results were put up later at the School:

	Cross- country	Down- hill	Slalom	Total
1. Stewart-Patterson	86.7	94.2	100	280.9
2. Porter	87.7	100	76.7	264.4
3. Mather	84.4	94.7	66.1	245.2
4. Berlyn	81.9	89.2	69.8	240.9
5. Whitehead	83.5	75.9	81.5	240.9
6. Popham	100	72	64.6	236.4
7. Setlakwe	95.9	70.6	68.3	234.8
8. Bonthon	68.8	86.6	78.5	233.9
9. Martin	76.7	87.4	63.	227.1
10. Williams	90.4	72.8	58.8	222.

All these boys made the ski team, C. Stewart-Patterson being the captain and winner of the Whitall Cup.

From these boys the following "Under 13" team was picked to compete in the Eastern Townships' Midget Ski Meet at North Hatley: C. Stewart-Patterson (Capt.) M. Whitehead, R. Berlyn and J. Williams. J. Bonthon also went to try and win an individual prize. The cross-country was run in the morning. M. Whitehead placed fourth, the first three places being won by North Hatley. After a good lunch at the Community Hall the slalom and downhill were run. Stewart-Patterson won the slalom, and Whitehead came third in the downhill. After the races were finished we returned to the Hall to hear the results. North Hatley came first, B.C.S. second, and Stanstead third. Although we did not accomplish our objective it was a very pleasant day.

Altogether this year's skiing has been very successful, and we hope it will continue so in future years.

C. STEWART-PATTERSON

ART AND HANDICRAFT

The Art and Handicraft periods have again been under the supervision of Mrs. Jones, who has provided very interesting work for the various forms in the school. Due to the difficulty of getting materials for handicraft work, there has been a lot more art work this term and some very interesting modelling in clay. Hart and Findlay have again been Mrs. Jones' helpers and have been doing a very good job. The work done by the various forms has been as follows:

Forms II and III. Felt memo pads, cork trimmed pot-holder racks, string holders in cardboard, leather needle books, match scratchers, pastels and water colours and lettering.

Form IIIA. Memo pads, lamp shades, leather key cases and comb cases, wooden coaster stands and flower pot holders, passe partout pictures, pastels, water colours, ink drawings, and lettering.

Form Remove. Wooden tie racks and serving trays, clay modelled floral brooches, suede leather needlebooks, designing and making stencils, stencilled cork table mats, water colour paintings, pen and ink drawings, passe partout pictures, and lettering.

R. BERLYN

THE 24TH MAY, WEEK-END

This year many of the boys' parents came down for the week-end of the 24th, and leave was given on Saturday and Sunday for boys to go out with their parents or friends. On the Saturday morning those who were not going out were able either to go on a bicycle trip to North Hatley or to have lunch in the woods.

The bicycle trip this year was in charge of Mr. Bown, who took 12 boys to North Hatley on a very good trip. They left about 10.30, had lunch at North Hatley, and got back to school without mishap in good time for the weiner roast in the afternoon. After everyone had had all the hot dogs, cinnamon toast, and lemonade they could eat and drink, we all collected more wood for the bonfire, which was lit at eight o'clock. By that time it was dark enough to set off the fireworks. It was the biggest display of them we had had since the war, and everyone had a great time.

D. TURNBULL

STAMPS

Stamp collecting has been very popular throughout the Prep this year, the greatest interest being taken in British Colonial issues.

A number of the boys have brought their collections to school during the year. Porter and Goodridge III have very good collections: one of Newfoundland, and the other of all the British Colonies. Price, Riley, and the two Turnbulls also have quite good collections. Mitchell has several good sets and McConnell all the Coronation issues. There are also quite a number of smaller collections in the school. Parker also has a small collection.

T. PARKER

LIBRARY

Due to the loss of the chief librarian the library has been under the supervision of the two monitors, C. Stewart-Patterson and R. Berlyn, who have been responsible for keeping the books in order. One book, entitled *Wings for Victory*, was presented to the library during the term by E. Tremain. The Hardy Boy books are the most popular, while the G. A. Henty and the Albert Paysan Terhune books also attract many readers.

We wish to thank Mrs. Findlay for sending us two very interesting books.

R. BERLYN

THE PREP WOODS

This year the Prep woods have been shortened considerably, and a definite boundary has been established between the Prep and the Upper woods. Instead of the log cabins that used to be built when we had a larger part of the woods for the Prep, we now build evergreen thatches. They are easily built and suit our purpose very well. The old Prep cabin, which is now in the Upper woods, is the headquarters of Mr. Sullivan, who is in charge of the woods this year. A new Prep hut is to be built to replace the old one.

Though the Prep woods this year are a little smaller, we still have great fun in them, and they are one of the main activities on half holidays. We had supper in the woods for the first time on May 4th; it was also the first time that the new boys had had supper in the woods and they all enjoyed it a great deal. We hope the boys in the Prep School next year and in the years to follow will have as much fun in the woods as we have had this year.

D. TURNBULL AND P. POPHAM

RADIOS

This year for the first time in the history of the Prep boys have been permitted to bring their radios to school, and there are now five radios in the Prep, belonging to Badger, Chapman, Hart, Martin, and Vaughan. Mr.

Page has given one or two of these boys permission to put up aerials. There is only one portable radio in the Prep, and that belongs to Badger.

All of the radios can pick up the Sherbrooke stations and some are able to get Montreal. As the school is only about 30 miles from the border, it is not very hard to pick up a few American stations, such as New York and Boston. During the hockey season Remove listened to the NHL games on Martin's radio. None of the radios has been seriously broken.

D. MARTIN.

We wish to extend our best wishes to everybody in the school for an enjoyable and healthful vacation.

W.A.P.

Stop Dress

CRICKET

On Saturday, May 31st, the Prep cricket team defeated Selwyn House (under 14) by an inning and 23 runs. Selwyn House batted first for a total of 40 runs, of which Currie, their captain, scored 17. The Prep then batted and scored 73. Putting Selwyn House into bat again, the Prep dismissed the entire side for 10 runs, thereby winning the game by an inning and 23 runs.

The features of the game were the excellent bowling of Popham and Setlakwe for the Prep, and the very fine fielding of the Selwyn House team, who, while making many good catches, made only one error throughout their inning in the field. Popham took 8 wickets in the second inning and had an average for the game of 13 wickets for 12 runs. Setlakwe also had a very good average of 6 wickets for 9 runs.

The best Prep batters were Setlakwe with 18, Goodridge 15, Badger 14, and Porter (Capt.) 10.

Owing to almost continuous rain this term there has not been as much cricket as usual. We have been having creases, however, whenever the weather permitted. Mr. Farthing has been taking first crease; Mr. Page, second crease; and Mr. McMann and Mr. Bown, third crease.

The only game we have been able to play so far was with a team selected from the Upper School's second crease. We lost, unfortunately, by a score of 42-34. The highest Prep scorers were Turnbull I, who made 9 runs, and Goodridge, Setlakwe, and Popham, who made 6 each. Of the bowlers, Porter and Badger did very well. Porter with an average of 3 wickets for 5 runs, and Badger, 6 wickets for 20 runs.

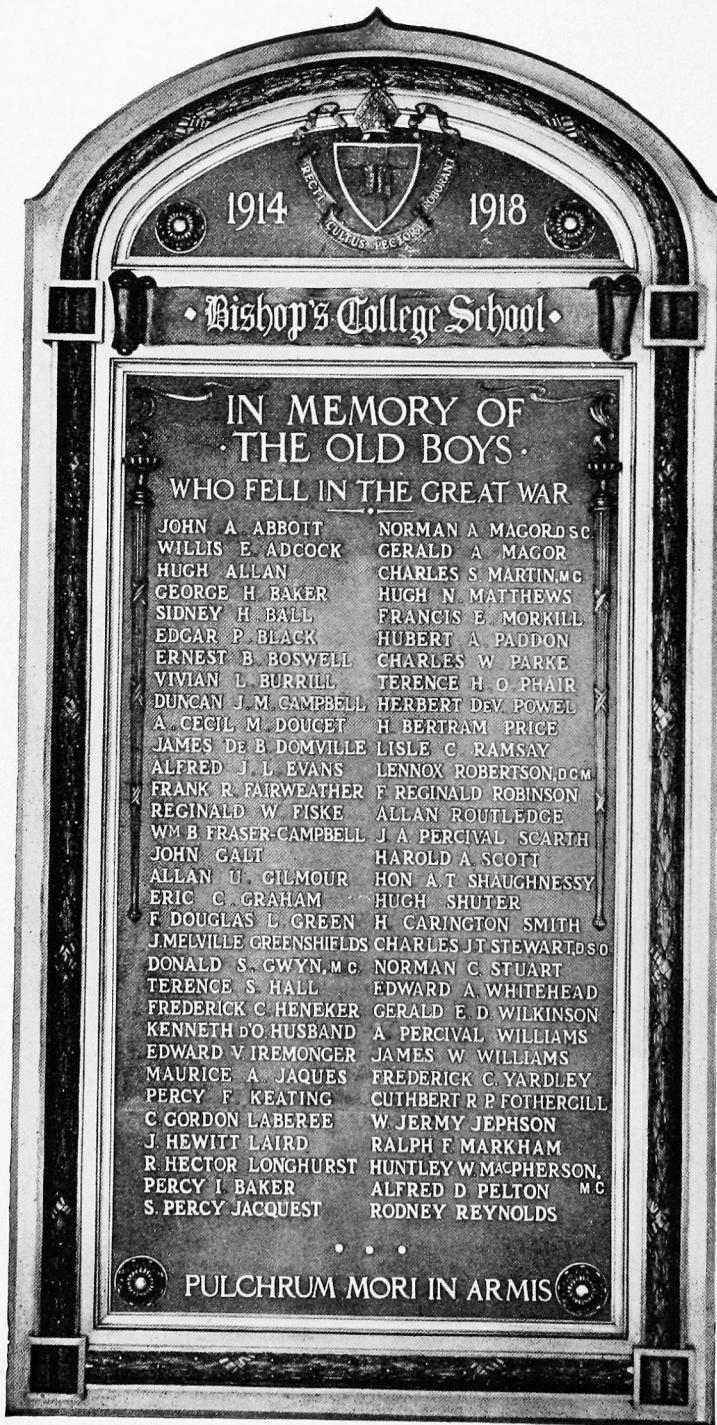

We have still to play our annual return matches with Selwyn House, in which we hope to do well.

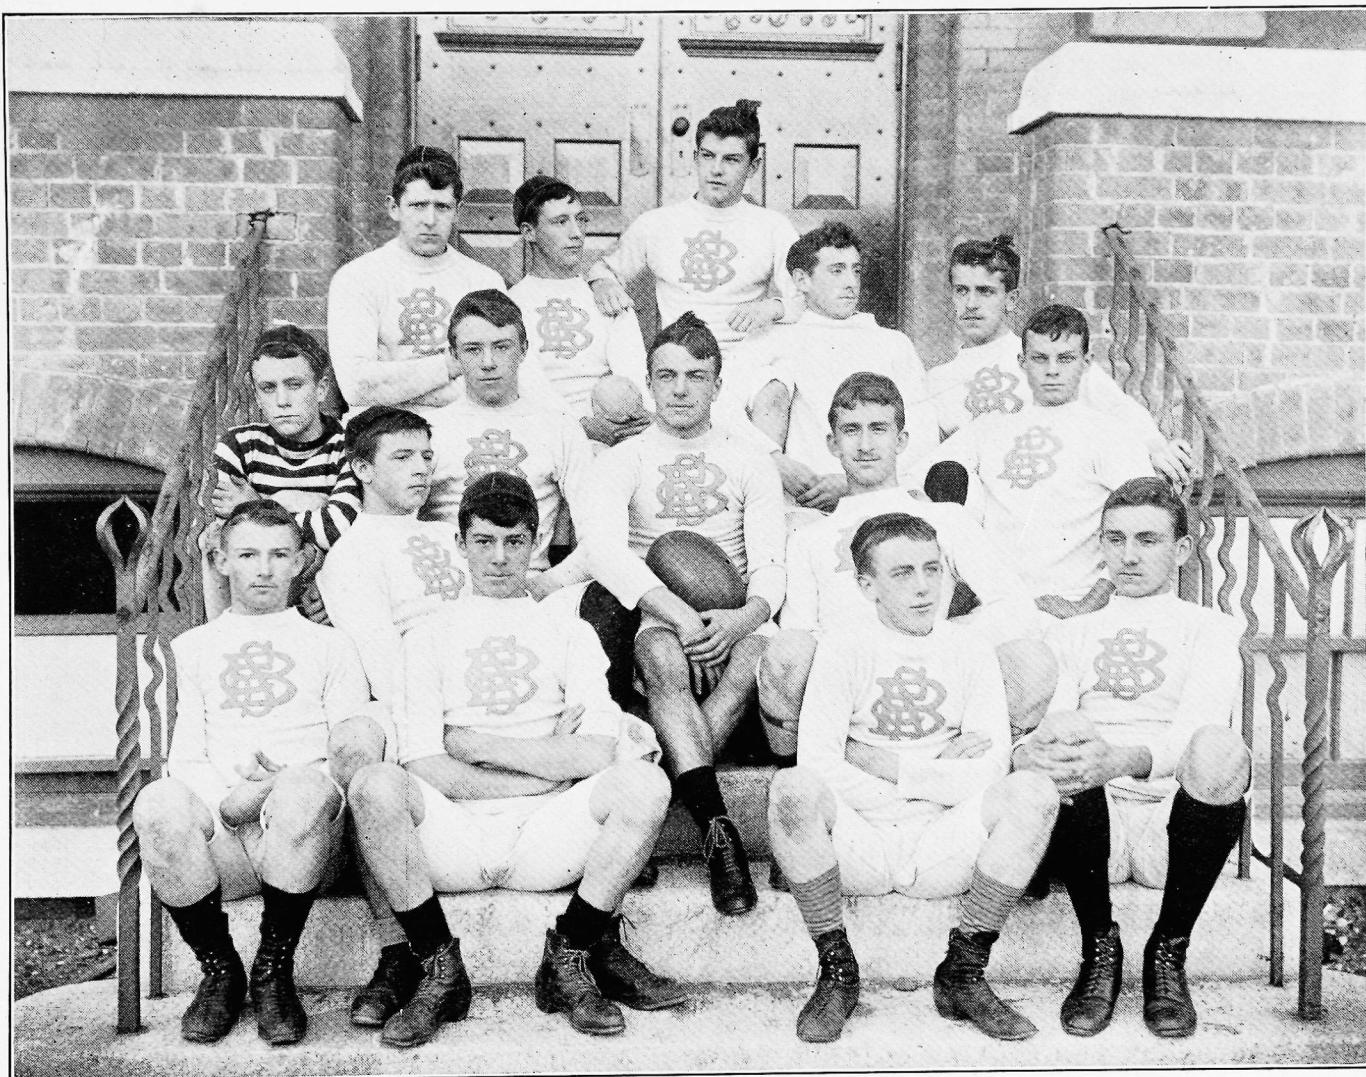

M. WHITEHEAD

TRACK

The Prep was not fully represented this year in the annual Eastern Townships' Track Meet at Sherbrooke on the 24th May, owing to the brief illness of John Turnbull, our fastest 'under 13' runner. After several trials had been held the following boys were chosen for the team: 220 yard relay team, Turnbull, Williams, Badger, and Martin; 50 yard dash, Turnbull and Williams; broad jump, Badger. Due to Turnbull's illness, however, the relay team had to be scratched, and our only remaining entries, Williams and Badger, failed to place in their events.

J. WILLIAMS

FIRST FOOTBALL TEAM, 1892

W. HEY, Sub.; L. ABBOTT, Half; C. TOFIELD, Quarter; H. LEARMONT, Wing; F. TOFIELD, Wing.

H. T. MARKEY	G. ARNOLD SHARP	J. F. BAILLIE
	J. L. GIBB CARSLEY	

The annual Meeting and Dinner of the Old Boys' Association took place at the Montreal Club on Feb. 7th, about 80 Old Boys being present. Unfortunately, college activities kept a number of the younger Old Boys from being in attendance. It was gratifying to see the number of Old Boys from out-of-town who came to the Dinner, and it is hoped that in view of their enthusiasm even more of the Montreal Old Boys may, in future, be able to attend. A letter from Dr. S. P. Smith who regretted his inability to be present was read by the Chairman, W. Mitchell. The guest speaker was Archdeacon Hepburn, an Old Boy, and formerly Senior Protestant Chaplain of the Services. In his address which was most earnest and impressive, yet highly entertaining, he stressed the value of fine traditions by quoting a parent, who, while speaking with a headmaster, said: "I wish the School to go through my boy and not merely my boy to go through the School". Before handing a cheque for over \$138,000 to W. W. Ogilvie, Chairman of the Board of School Directors, H. deM. Molson thanked all Old Boys who had helped in the Campaign but prefaced his remarks by stating that the objective of \$250,000 was still short by some \$73,000. Hopes were expressed that Old Boys who had not yet subscribed would do so. Contributions, deductible from Income Tax, may still be sent to B.C.S. War Memorial Campaign, Aldred Building, Montreal, P.Q.

In view of the objective not being reached, W. W. Ogilvie stated that the original plans for the Memorial Building would have to be modified. Alterations to the Main Building, erection of one House instead of two, and the erection of a Chapel were announced. Thanks were extended to all Old Boys and friends of the School who had contributed the substantial sum of \$177,000. The Headmaster, Col. Grier, in mentioning the fine results obtained in the various School activities by the boys and the members of his staff, thanked all concerned for the honours brought to the School.

Prolonged applause interrupted him when he mentioned the names of R. L. Young and G. Wiggett; the former for the excellent Memorial Issue of the Magazine which he and his staff produced, and the latter for the high sense of sportsmanship which he had developed during the 14 seasons he has coached the hockey team with the following results: 110 wins, 54 losses and 18 ties. Bishop Williams and E. deL. Greenwood both spoke briefly at the close of the Dinner.

Additional names added to the Active Service List:

Major H. R. Turner, D.S.O.; Major T. H. Lines, the Toronto Scottish; Brock W. MacLaren, who served in Italy; G. K. Parke, U.S. Army.

Posthumous Awards:

The late Flt/Lt. W. M. Hale has been awarded the Operational Wings of the R.C.A.F. in recognition of gallant service against the enemy.

The late F/O. C. J. P. Ramsey has been awarded the Mention in Despatches and the Gold Operational Wings for gallantry in action. With his plane on fire and one engine missing, Ramsey was able to regain control of it after it had dropped 2000 feet. Five of the seven members were thus able to parachute to safety.

DEATHS

We regret to announce the following deaths, and to the members of the respective families we offer our sympathy:

C. E. Davie ('17-19) accidentally killed near Quebec on January 1st.

Mrs. H. F. G. Boswell, wife of Harry Boswell, accidentally killed in Malaya, on January 26th.

Mrs. F. W. Ross, mother of Donald and Harry Ross, in Quebec in January.

Mr. T. S. Gillespie, father of T. M. and Ian Gillespie, in Montreal in February.

Major H. B. MacDougall ('89-94) in Montreal on April 26th.

ENGAGEMENT

C. de L. Porteous to Miss F. Raymond, the wedding to take place early in the autumn.

MARRIAGES

R. M. Collier to Miss G. Hyde, Westmount, on May 3rd. The best man was R. D. Collier, brother, and the ushers were D. Dodds and R. Bayne.

H. D. Thorp to Miss M. I. MacKinnon, early in May. Trevor L. A. Evans to Miss G. L. Murray, in Montreal, June 14th.

E. H. K. Hugessen to Miss M. L. Newton, in Montreal, on June 20th.

BIRTHS

Mr. and Mrs. F. S. Anderson, a daughter, in January. Mr. and Mrs. C. D. Johnston, a son, in Quebec, on January 6th.

Mr. and Mrs. M. K. Parlee, a daughter, in Montreal, on January 7th.

Mr. and Mrs. D. G. McConnell, a daughter, in Montreal, on January 18th.

Mr. and Mrs. R. A. Montgomery, a son, in Montreal, on January 28th.

Mr. and Mrs. C. L. O. Glass, a son, in Ottawa, on February 20th.

Mr. and Mrs. F. W. Morkill, a son, in Montreal, on February 26th.

Mr. and Mrs. P. L. MacDougall, a son, in Montreal, on March 7th.

Mr. and Mrs. B. M. Ogilvie, a daughter, in Montreal, in March.

Mr. and Mrs. P. W. Grier, a daughter, in Montreal, on March 12th.

Mr. and Mrs. C. A. Hersey, a daughter, in Montreal, on March 24th.

Lt. Col. and Mrs. L. P. Payan, a son, in Montreal, on March 24th.

Mr. and Mrs. G. W. Hall, a son, in Montreal, on March 28th.

Mr. and Mrs. Dan Doheny, a son, in Montreal, on April 8th.

Mr. and Mrs. J. A. Cross, a daughter, in Montreal, on April 20th.

Brig. and Mrs. C. M. Drury, a son, Ottawa, May 11th.

Mr. and Mrs. S. Lyman, a son, Toronto, May 24th.

CONGRATULATIONS

Lt. Col. J. E. H. Stethem ('16) has been appointed to command H.Q.'s, R.C.E.M.E. 2nd Corps Troops of the Reserve Force. His H.Q.s. will be in Montreal.

Lt. Col. H. E. T. Doucet, O.B.E., has been appointed director of Public Relations for the National Defence Department. He has been army director of Public Relations since April, '46.

In November, the French Government awarded decorations to the following in recognition of distinguished war services: Chevalier of the Legion of Honour and Croix de Guerre with Palm: Brig. C. M. Drury, Col R. W. Moncel and Col. H. E. T. Doucet; Chevalier of the Legion of Honour: Brig. E. Blais. On January 8th, the French Ambassador presented the decorations in ceremonies held in Ottawa to Col. Moncel and Col. Doucet.

Col. Moncel has been appointed Commander of the R.C.A.C. at Camp Borden.

Flt/Lt. J. E. Asselin officially received the Mention in Despatches on Christmas Eve for services rendered while he was a prisoner-of-war.

Lt. Col. Harry Boswell has been Mentioned in Despatches for the second time.

G. E. Janner has been awarded the Trinity Hall Cambridge Scholarship. There were over 800 competitors.

A. I. MacTier passed his exams in Chartered Accountancy in February.

At an investiture held in Ottawa, on April 17th, by the Governor-General, General A. G. L. McNaughton was made a Companion of Honor and Col. H. E. T. Doucet received the insignia of the Order of the British Empire.

Col. A. T. Paterson, D.S.O., has been awarded the King Haakon VII Cross of Liberation by the Norwegian Government.

Lt. Col. G. W. Smith, O.B.E., has been appointed to command headquarters, Royal Canadian Engineers, 4th. Division of the Canadian Reserve Force. The unit is to be located at Thetford Mines, P.Q.

Brig. D. K. Black, C.B.E., was invested with the D.S.O. by the Governor-General on February 22nd.

R. Tomlinson has been awarded a National Research Scholarship.

The following degrees were awarded to Old Boys at McGill Convocation, held on May 28th:

M.D.: C.M.: J. R. D. Bayne. B.C.L.: D. Doheny; F. Ritchie. B.A.: J. H. Jarrett; J. Norris; H. H. Norsworthy. B.Sc: H. E. Federer; T. D. Ker; B Comm. J. S. Allan. B. Eng. (Chem.): D. W. McLimont.

ITEMS OF NEWS

B. M. Ogilvie has been elected honorary-secretary of the Quebec Division of the Canadian Red Cross, and J. H. Bassett has been elected to the executive committee.

John Tyler was a member of the McGill Ski Team and took part in the Dartmouth University Annual Carnival at which ten of the leading universities competed.

Brig. C. M. Drury has completed his duties with

U.N.R.A.A. in Poland and is now in the External Affairs Department at Ottawa.

Ted Hugessen, secretary of the McGill Debating Union, took part in a radio broadcast on February 18th, with Middlebury College, Vermont. The broadcast was heard over Burlington, Vermont, station.

H. C. MacDougall and R. R. McLernon, doubles duo in the Canadian Racquets Championships held in Montreal in mid-January, put up a grand fight against Akers-Douglas and Wagg, of England, and only lost after a very close score of 15-11; 15-12; 17-14.

In December, the Redpath Crescent Home of Major and Mrs. W. R. G. Holt was dedicated by the Rt. Rev. John Dixon, Bishop of Montreal. The plaque reads: "In December, 1946, this building was donated to the Children's Memorial Hospital by Mr. and Mrs. W. R. G. Holt in proud and loving memory of their only son, F/O. Peter Gratton Holt, R.C.A.F., killed in action, May 30th, 1943."

J. Sifton is with the Canadian Press in Winnipeg.

W. O. Hocking ('24-'26), 94 Allen St., Randolph, Mass., U.S.A., has inquired if any Old Boy has ever taken up Amateur Radio for a hobby. He has had a station licensed there for ten years under the United States call of W1 MON.

Godfrey Howard entered Harvard University on February 1st.

Kenneth Howard is in 1st year Law at McGill.

R. S. S. Grier is with the Fry Company in Montreal, and his brother, Peter, is with a chartered accountancy firm.

J. N. Williams is with the Canad-Air Co., in Cartierville. H. Cleveland, who used to be with this company, is now with the Canadian Pacific Air Lines and is stationed in Vancouver, B.C.

Dave Nicoll was due to be released from the R.A.F. in May. He had been stationed in Bermuda in the Meteorological Department of the R.A.F.

The School beat the Old Boys at the annual hockey game on February 15th, the score being 6-2. The following Old Boys played: W. Molson, P. Satterthwaite, H. Packard, W. Price, J. Churchill-Smith, H. Finley, A. R. Dobell, C. Brown, M. Wallace, D. Stoker, R. McBoyle, D. Dodds, R. Setlakwe, S. Day.

G. Beckett, H. Cleveland, R. Paull, J. N. Williams visited the School in February.

A. G. Egerton returned from India last July. He flies 'Halifaxs' for the London Aero and Motor Services and takes freight all over the world. His address is 24 Sussex Mansions, 81 Old Brompton Road, London, S.W.7, England.

G. V. Whitehead has been elected vice-president of the Canadian Club of Montreal. H. deM. Molson has just completed his term as president and has been re-elected to the Executive Committee.

The Montreal Board of Trade, in celebrating its

125th anniversary, tendered a reception on April 18th, to 19 of Montreal's oldest firms. J. L. Gibb-Carsley represented the Gibb and Company and H. W. Molson, the Molson's Brewery.

Andy Hugessen won the 8 mile cross country race on March 3rd, at the Canadian Intermediate Inter-collegiate Athletic Union Ski Meet held at St. Sauveur, P.Q.

Mrs. C. W. P. Ramsey, Bedford, P.Q., while in England, met Graham Egerton and Percival Molson.

Ian MacLean took part in the 14th International Dinghy races held in Bermuda during the early part of May, when British, American and Canadians competed together. MacLean was one of four representing the Royal St. Lawrence Yachtmen. During the first day of racing, the Canadians placed first and second.

G. W. Millar has formed his own company—the Ahlberg Bearing Company of Canada, Montreal, P.Q.

Bill Kenny is in newsprint work in Montnairn, N.J., U.S.A.

E. X. Montague, a former School hockey and rugby coach during the 20's, is in magazine work in New York City.

E. S. Coristine is with the White Motors Co. in Montreal.

J. H. A. Allen, D. McMaster, A. Mitchell, J. Arnold, E. S. Coristine, J. Kemp all visited the School early in May.

Cpl. "Bill" Hastings, of the Veterans Guard, and for years a member of the sub-staff, died early in May.

Major John Kemp addressed the members of the staff and the Châlet (Vth, VIth, and VIIth forms), on May 9th, and gave a very graphic and interesting account of the many heroic deeds of the Old Boys of the School during the Normandy campaign. Especially gripping was his account of being captured by the Germans, after crawling for over ten hours through a wheat field when only about 400 yards from the Allied lines, and of the subsequent days spent with 800 other Allied prisoners-of-war in a hospital at Rennes until liberated by the Americans. John Turpin thanked Major Kemp on behalf of those present and assured him that those Old Boys who had been killed would be remembered not merely as names on an Honour Roll, but for the part they played in safeguarding the Canadian way of life.

John Shuter was usher at his sister's wedding held in May.

H. de M. Molson has been appointed chairman of the Special Names Division of the annual Welfare Federation Campaign to be held in September.

The McGill graduates of the class of 1897, which held special celebrations during Convocation week, included the following Old Boys: J. K. L. Ross; G. H. Montgomery; C. F. Sise.

Hugh M. G. Garden, 1350 North State Street,

Chicago, Illinois, who attended the School '83-'87, wrote early in May and hopes to be present at the Closing.

The following Old Boys visited the School during the second half of May: M. A. Byers; Dick Collier; T. H. McCall.

Bob Collier is spending the summer working at a paper mill at Baie Comeau.

Fred Fuller was in Utah in mid-May.

Dick Collier, John Bassett, William Mitchell, Brigham Day, Desmond Stoker all played in a cricket match against the School team on May 24th: score 91-55 for the School.

A letter received June 2nd, from John Stewart-Smith states that he and his brother, Michael, have been in New Zealand since last December, where their step-

father lives. Their address is Box 956, Christchurch, New Zealand. They are attending school at Oamaru, about three quarters the way down the east coast of South Island. They find it strange celebrating Christmas in summer weather, and they are planning skiing on Mt. Cook in August. We are glad to know that they receive the Bulletin regularly and that they have such pleasant memories of B.C.S. and Lennoxville.

Bill Shaughnessy has recently completed a course in journalism at Columbia University. He and his wife plan visiting England this summer.

Paul Lindsay gave his sister away at her wedding, held on May 31st.

R. W. Stevenson was an usher at his sister's wedding on June 2nd.

POLLACK'S

We get the cake . . .

Yes indeed, we certainly get the cake when it calls for know-how in boys' and girls' apparel.

When in Quebec, you'll enjoy a visit at Pollack's, the store where young folks feel at home.

MILK is GOOD

for your children

... and for you too! Milk contains some forty food components—fats, proteins, minerals, vitamins—essential to the development of sound teeth and bones, healthy bodies. A quart of milk for children, a pint for adults should be included in the daily diet, along with other quality-guarded dairy products.

This takes practice

Practice makes perfect... in sport
... and money management too.

Good practice in money management is to spend less than you earn, and bank whatever you can... regularly, till it becomes a habit.

We welcome your account.

THE ROYAL BANK OF CANADA

QUALITY HAS NO SUBSTITUTE

Everything is being done to speed the return of your favorite Dack's Shoes... but we are still unable to meet fully the insistent demand.

There is no substitute for quality... and we know you would not have us sacrifice the high Dack standards, however pressing the occasion.

Increased production is under way... so watch for Dack's Shoes. Like all things worthwhile, they are worth waiting for.
